Food for Thought . . .

As World Affairs Were Important in 1952 . . .

Rightly or wrongly, international affairs concern everyone. Only through education can these problems be given the proper consideration without prejudice. Patriotism has to be felt inside—not just on the surface. By individual and group projects the F.H.S. students strengthen our sacred Democracy.

As ace debater Van Blue-
mel made his stand, Coach
Garrett listened attentively.

New flags for the classrooms proved to be a worthy project for the Student Council.

Food for Thought . . .

In Our Local Problems and in

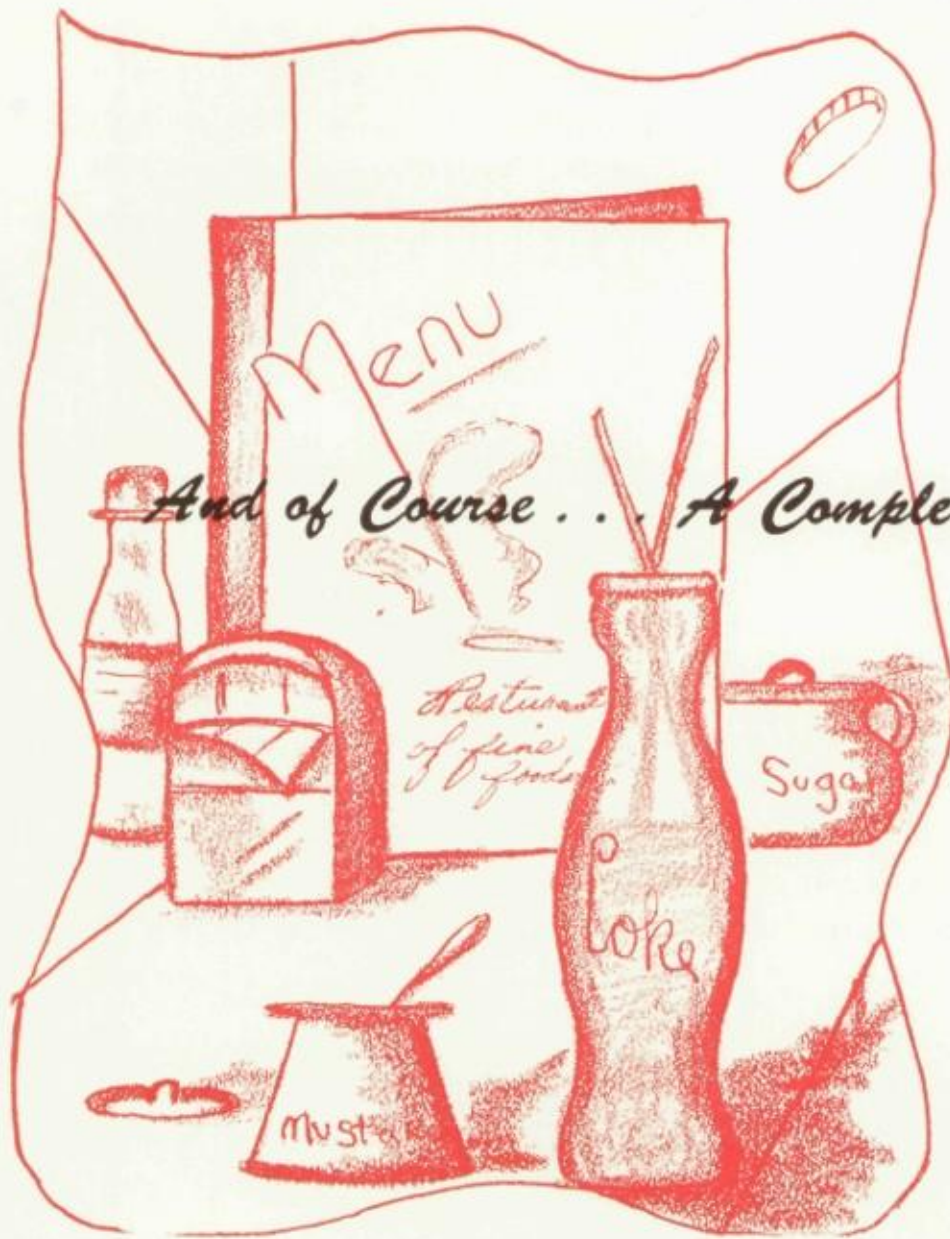

President Doris Kaiser presided over a Student Council meeting in an orderly fashion. But when the season basketball tickets went on sale, who's in what order?

Our School Affairs . . .

Everyone has his say! Sometimes in person and sometimes through representatives, but all the time the voice of the students is heard!

Ma-hee! Ma-hi! Ma-ho! Pep session skits put everyone in spirit for the big game—or at least, they try!

And of Course . . . A Complete Menu Includes All Those

Nothing like some ice cream to "cool off" at football games! Br-r-r-r!

Cheaper by the dozen or just more crowded? Could it be that Jim might need that many to push?

Everyday occurrences are not given much thought at the time. Although big affairs do not take place every day, these minor events fill in our school lives. We just take such frequent social gatherings for granted.

Ingredients That We Liked So Well . . .

At our games or the post game dances and in the parking lot, our halls, or on our campus, we are constantly associating with our pals. Of course, all the expressed feelings between the members of our school family are not exactly considered "brotherly" love!

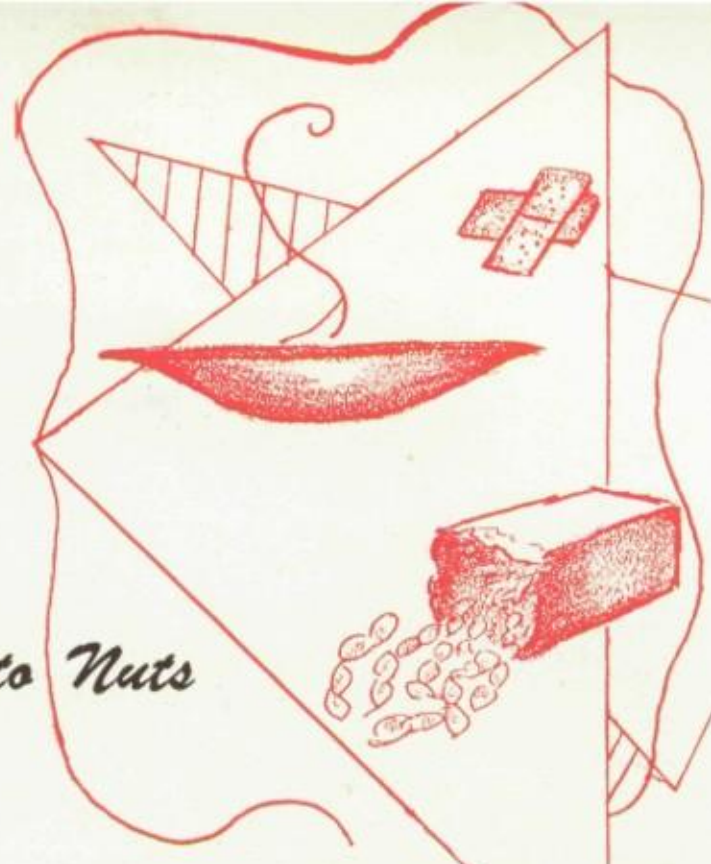

Homecoming had all the spirit and racket of the Fourth of July. The freshmen's version of "Hit Parade," the sophomores' interpretation of a visit to the doctor, the juniors' TV program viewing the Warriors attacking the Pretzel pioneers, the seniors' satire of the West High pep rally; even a new pep song by Joe; what else could be desired at the all-school assembly?

Yes, Our Menu Included . . . People We Knew and

Queen Doris Rahn, crowned by the F.H.S. gridiron co-captains Roland Harbach and Conrad Bittner, reigned over the festivities with the royal charm befitting a Pretz Princess. Her highness's attendants, Mary Fulkerson, Sally Snook, Georgia Mellom, and Beverly Watkins, were also chosen by the football squad.

Events We Shared . . . From Soup to Nuts

The "soup" we ate, but the "nuts" — that referred to us! The boys clowned in opposition to the gals' Natural Beauty Day, but the senior girls earnestly imitated the fellows during their Halloween game—and won!

Places We Went

Dances We Danced

Chairmen Georgia Mellom and Dick Dildine with beauty queen Jeannine Diddens deserved that "well done" feeling for the entire Carnival: the style show (top), the baby show, and all the extras.

Carnival festivities at F.H.S. made a record in 1952! Presented on the twenty-ninth day of February, this "Platter Parade" was both a social and financial success. The senior class besides sponsoring the event to raise money for our **Polaris** won the inter-class competition.

Projects We Undertook Together

As Queen JoAnne Schmidt and King Mickey Steffen proudly bore their crowns, the royalty for the freshmen, Carol Johnson and Jim Yde; the sophomores, Mary Lou Bear and Ted Wootan; and the juniors, Floreida Lenz and Hank Guffey beamed radiantly.

Sweet Sixteen! "Freeport's going down-state!" Of course, with such an outstanding team to follow, the spirit and sportsmanship of the fans were also outstanding. Our school pride and loyalty soared as our roars raised the rafters.

School Spirit and Sportsmanship . . .

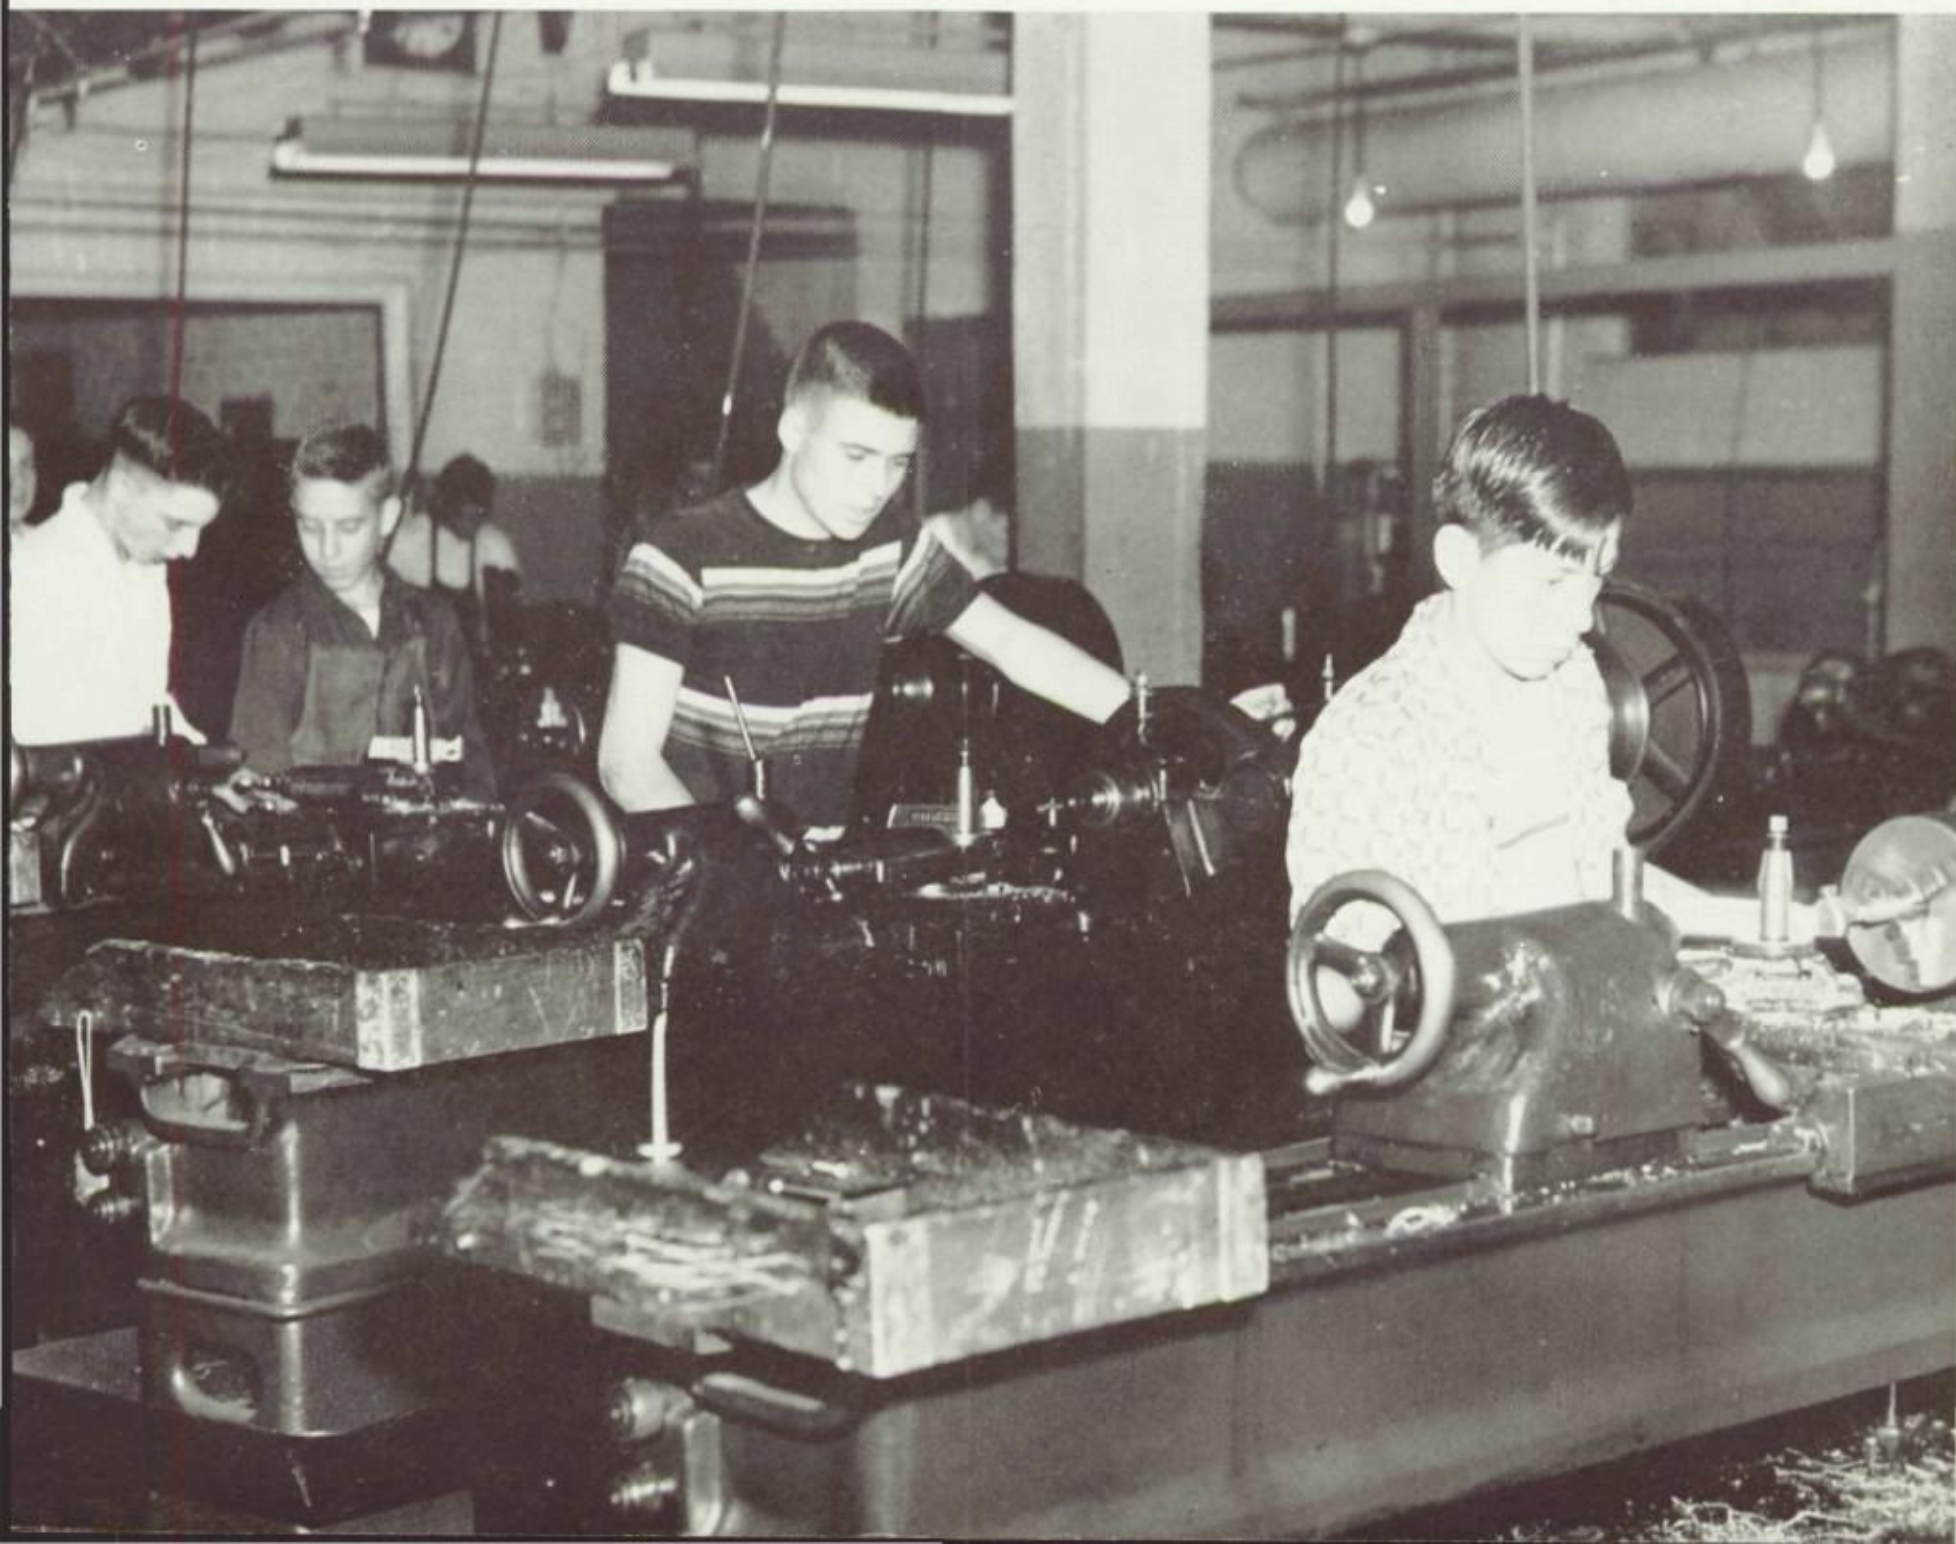

Rebound, boys! Get on the ball—figuratively speaking, that is!

Classes are the prime purpose for school although the other activities are also essential. Through vocational and college preparatory courses, we acquire knowledge to prepare us for the future. We strive to take advantage of this opportunity to better ourselves, because well we knew the practical assets of an education.

... Industrious Study Habits

The wide choice of electives in numerous fields enables us to pursue those courses that are of particular interest to us. Naturally, it is required that we secure a general knowledge of the liberal arts. Learning how to concentrate, study, and reason are in themselves worthwhile goals.

Play: when a group gets together on their own accord. The Dixieland Band, the JERC, or just fun at the park: although technically not school activities, such gatherings are definitely an important part of our school lives.

With Time Out For Fun and Relaxation . . .

Swing and sway;
cheat and chatter;
crack and cr-r-rash;
we "fell" for them all!

Music, to be heard and appreciated!
Whether it's the band at a football game
or the orchestra at Open House, it's music
that adds the spirit!

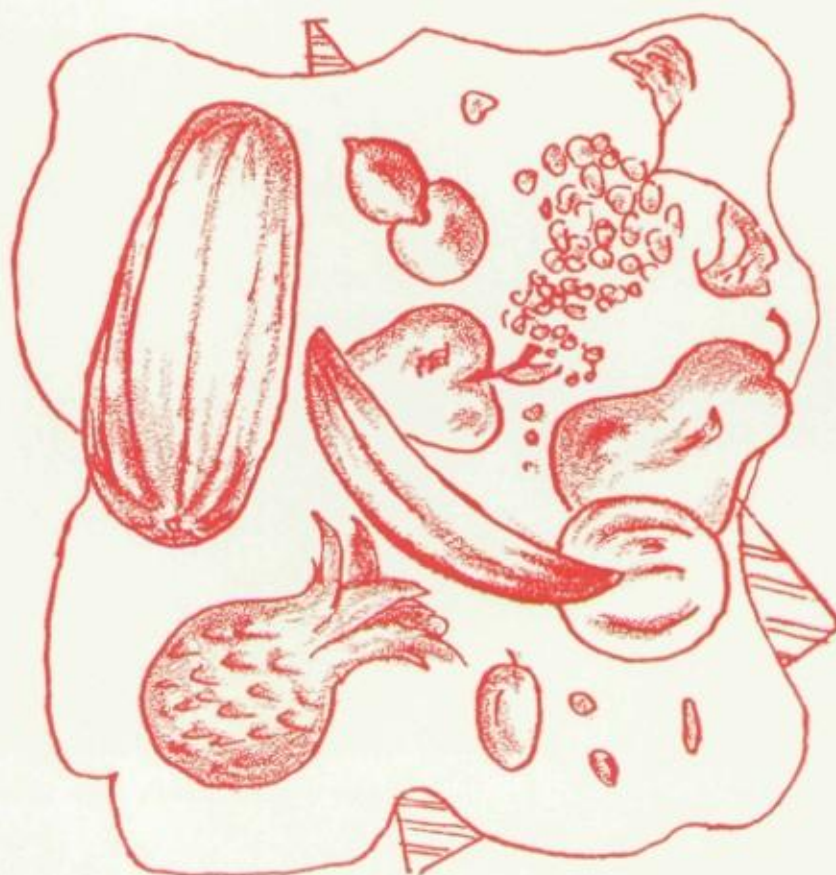

... For Displaying Our Talents

Our Junior Prom, "Moonlight Fantasy," was set in the romantic atmosphere of an ocean voyage. Of course, seamen aren't the only sentimentalists when it comes to admiring the "heavenly bodies"—in the solar system, that is!

And For Social Events . . .

At the speaker's table during the banquet and in the grand march, Paul Lindfors as junior class president acted as leader.

Commencement, although our goal, brought the sadness of departure deep down in our hearts. We are about to commence the next chapter of our lives by leaps and bounds since each bit of knowledge acquired at F.H.S. was a stepping stone to our future.

Thus . . .

Balancing Our Nourishing School Diet.

By supplementing their books with informal discussions, the Vergil students add interest to their Latin.

Relatives and friends view the graduation exercises with pride.

Varsity Football

Coach Joe Spudich, up from the frosh-soph ranks, and assistant coach Howard Weber, could well look pleased as they watched their gridgers display a will-to-win attitude against their opening foe, Dubuque. Freeport scored early when end Bill Trunck picked up a Ram fumble and sped 65 yards for a touchdown. Later, Duane Kielsmeier ran back a punt for 22 yards and a T.D. Nevertheless, Freeport was on the short end of a 20-12 score.

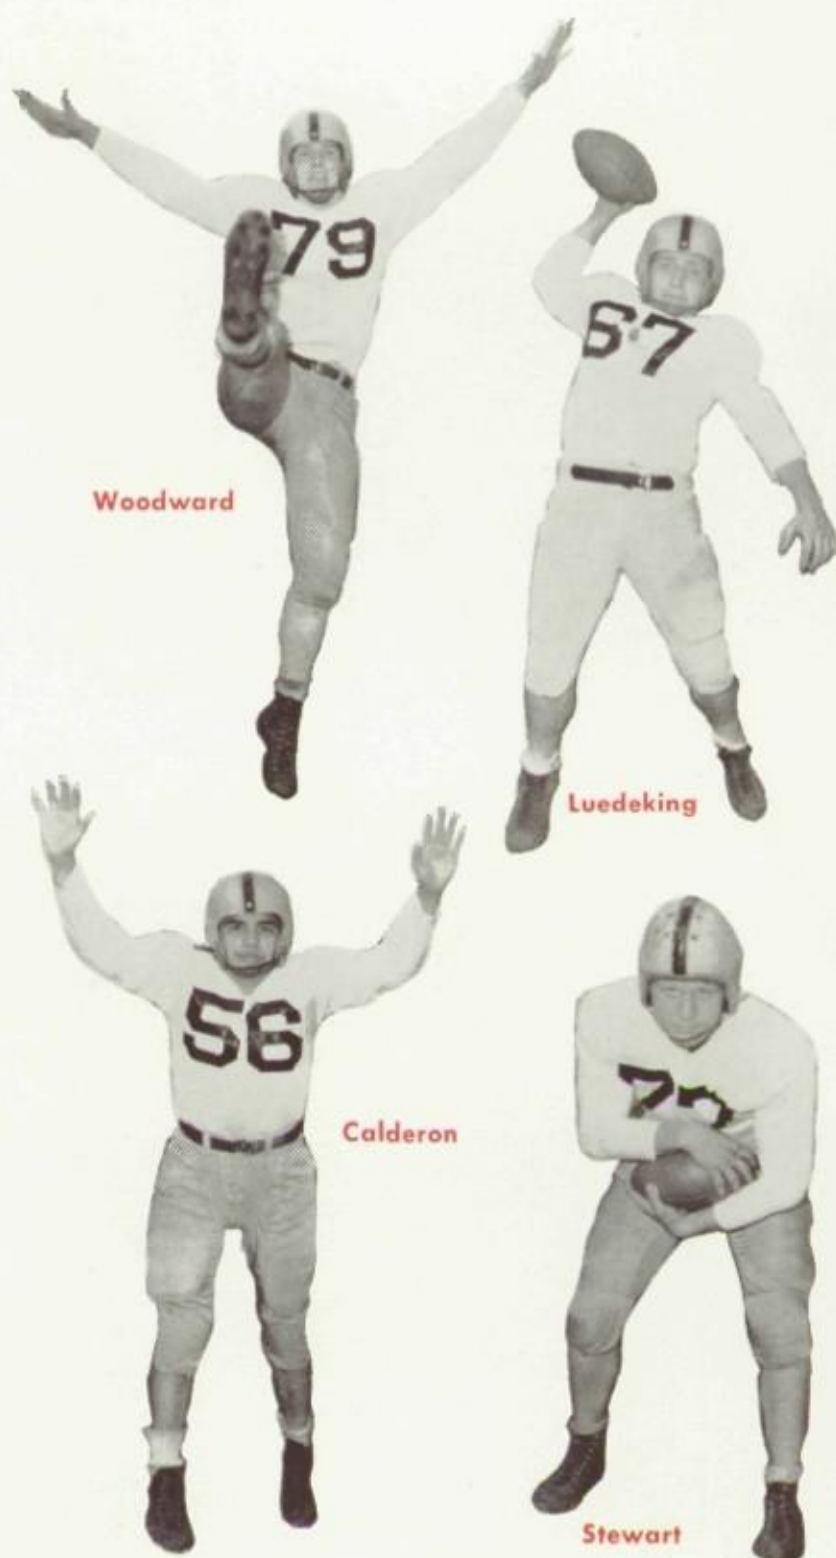

A late touchdown by Moline tied the score at 7-7 in the Pretzel's next engagement. Luedeking plunged over from the two yard line and John Woodward kicked the extra point to account for Freeport's points.

Freeport got off to a roaring start in the Big 8 campaign by beating West Aurora, 25-20. Wes Luedeking and Whitey Stewart each crossed the goal line twice for the Pretz, with Luedeking plunging for the lone extra point.

Against LaSalle-Peru, Freeport took an 18-0 lead in the first half as they rolled to a 25-13 victory over the Cavaliers. Freeport touchdowns were scored by Wes Luedeking, who accounted for two, and one each by Woodward and Kielsmeier. Luedeking plunged for the lone extra point.

An ankle injury to Luedeking took the spark out of the Freeport Homecoming as West Rockford's Warriors edged the Pretz 14-13. On the last play of the first half Luedeking bulled over tackle from the seven yard line to score, and then plunged for the extra point. The second T.D. was scored on a 31 yard pass, Luedeking to Trunck, but Luedeking's plunge for the extra point failed.

After catching a short Dubuque punt, Kielsmeier (57) races across the goal line with the aid of a fine block thrown by John Woodward (79).

A 47 yard pass play, Luedeking to Woodward, and Wes's successful extra point kick, accounted for Freeport's points against East Aurora. The Tomcats crossed the goal line frequently, however, to come out on top 23-7.

The Pretzels drove deep into East Rockford territory several times, but each time had to relinquish the ball. Although they were

Playing in bitter cold weather, Freeport was unable to get going against Joliet. The Joliet Big 8 championship bound Steelmen rolled over Coach Spudich's outfit, 32-0.

Playing their finest game of the season in the last game of the year, Freeport had Elgin on the ropes but was unable to deliver the knockout punch, as the Maroons won, 27-

At the close of the season, tackle Gerritt Schutt, half back Wes Luedeking, end John Woodward and fullback Al Stewart were placed on several All-Big 8 teams. Guard Conrad Bittner was a unanimous choice for the All-Big 8 team, and was named to the second string of the All-State team by the Chicago Tribune.

Freshman-Sophomore Football

Kenny Hickman's 21 yard field goal and Ted Wootan's three yard plunge made Don Knauff's debut as Freeport high frosh-soph football coach a tremendous success as the Pretzelettes defeated the Dubuque Lambs, 9-0 in the opening game of the season.

Beloit's sophomore football team defeated the Freeport Pretzelettes 18-13 at Beloit in the last minute of play when a Beloit player ran a Freeport kickoff 80 yards for a touchdown. Pretzelette touchdowns were scored by Malcolm Pearson and Ted Wootan. Hickman was successful on one extra point attempt.

In a dazzling display of offensive football, Freeport's frosh-soph opened the Big Eight campaign by outscoring West Aurora 20-7, after trailing 7-0 at the quarter. Malcolm Pearson tackled a West Aurora player in the end zone as Freeport broke into the scoring column with two points. Seconds later Wayne Heitz sprinted 44 yards for a touchdown. by Joe Williams and his lateral to Ronnie Bender covered 32 yards for Freeport's second score. Then early in the third period, Heitz made a magnificent return of an Aurora punt as he went 74 yards for a touchdown.

Failure to convert on extra point attempts caused Freeport to lose to LaSalle-Peru 14-12. Both Freeport touchdowns came on passes by Ken Hickman. The first was a six yard touchdown pass to Charlie Williams and the second

was a 53 yard touchdown pass play with Heitz on the receiving end.

West Rockford's sophomores exploded for three touchdowns in the last four minutes to turn a scoreless tie into a 20-0 victory over the Pretzelettes. With time running out, Freeport was forced to take chances by passing with the passes developing into West Rockford touchdowns.

Scoring both touchdowns in the first half and converting on one of two extra point attempts, Freeport's frosh-sophs defeated East Aurora 13-12. Fullback Ted Wootan bulled his way over the goal from one yard out for the first score, and Malcolm Pearson recovered an East Aurora fumble in the air and ran 13 yards to the end zone for the second T.D.

The East Rockford Rablets broke a six-game losing streak at the expense of the Pretzelettes, 19-0. Playing without the services of Halfbacks Wayne Heitz and Charlie Williams the Freeport attack could not get rolling against the stubborn East Rockford defense.

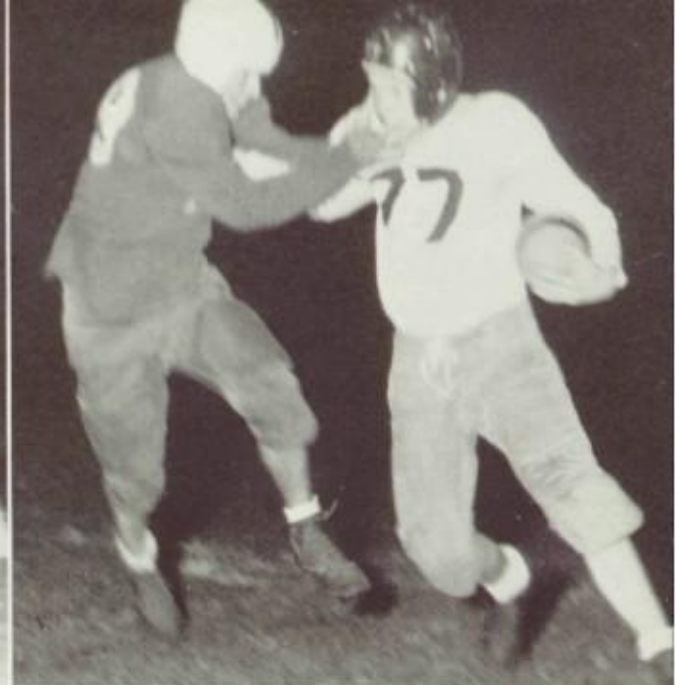

The Joliet Steelmities outclassed the Freeport Pretzelettes to the tune of an 18-0 victory. Freeport could gain little through the rugged Joliet line as was demonstrated early in the fourth quarter when the Pretzelettes had a first down on the Joliet 7 yard line and were unable to hit pay dirt.

The first time the Pretzelettes had their hands on the ball they launched a 52 yard touchdown march to close the season with a 6-6 tie against the Elgin Ponies. To climax the march Ted Wootan threw a 10 yard touchdown pass to Fred Vallarta. Hickman's kick for the extra point was wide.

The frosh-sophs closed the season with a Big 8 record of two wins, four defeats and a tie and a season's record of three victories, 5 losses, and 1 tie.

Junior Varsity Football

The Freeport High jayvee football team, under the coaching of Gene Marks, went through a successful season by winning three games while losing twice. In the opening game of the season the junior varsity gridgers, playing host to West Rockford's J-V's came out on top, 18-0. The following week the junior varsity journeyed to Rockford, again to face West High. This time, due to injuries received the previous week, the tables were turned, and the Warrior junior varsity romped over Freeport, 39-0.

Beloit, the next foe of the junior gridgers,

completely outclassed Freeport, and breezed to a 56-0 victory. Dubuque was no match for Freeport's team as they were defeated 26-6. Freeport played its final game of the season in a snowstorm, but nevertheless, defeated a rugged Galena eleven, 27-25.

At the close of the season the following received jayvee letters: Maxey, Kettelhut, Symens, Dame, Rutter, Yde, Ackerman, Jerry Allen, Charles Allen, and Watkins. Meads, Rees, Penticoff, McLean, Stees, and Marchesi, also members of the junior varsity, received varsity awards.

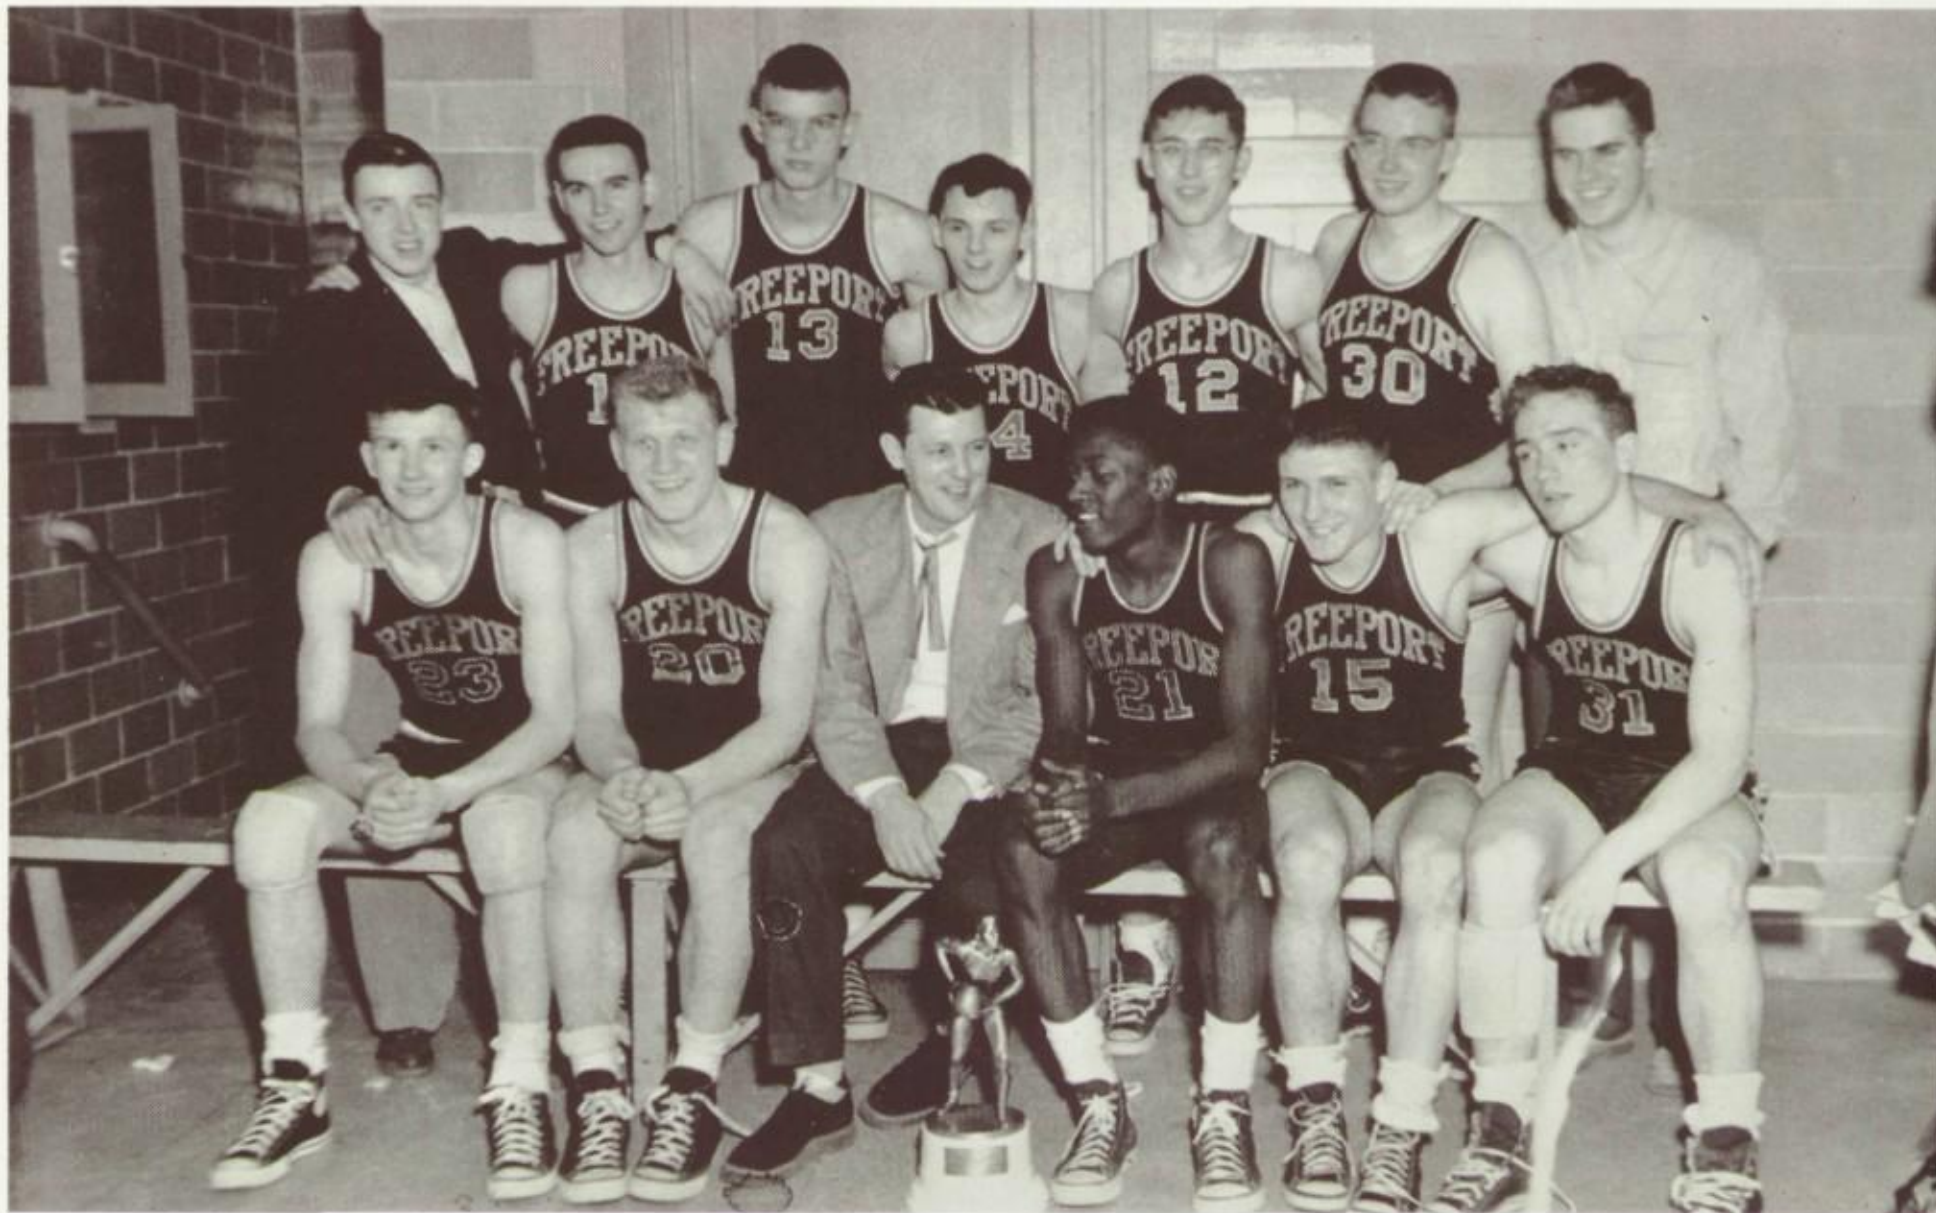

Starting lineup for the J-V's: R.E., D. Maxey; R.T., D. Dame; R.G., F. Rutter; C., G. Meads; L.G., D. Rees; L.T., J. Symens; L.E., D. Kettelhut; R.H., A. Watkins; F.B., D. McLean; Q.B., J. Allen; L.H., D. Marchesi.

Continuing in the tradition set by previous varsity quintets, this year's team, under the coaching of Harry Kinert, turned in a bang-up performance. At the beginning of the basketball season, not even the most optimistic of Pretzel basketball fans believed the 1951-52 team could wind up the season in George Huff gym in Champaign, a member of the "Sweet Sixteen." Yet this was accomplished despite the fact that only one member of last year's state champs, Carl "Case" Cain, returned to Coach Kinert..

The Pretzels met with little opposition in their first three encounters as they rolled over DeKalb, Sterling, and Kewanee. West Rockford, playing on their home court, edged the Pretz, 40-37. The following evening Freeport romped over a highly-regarded Moline quintet, 53-45.

At the Pontiac Holiday Tournament, the Pretzels defeated their first round foe Effingham, but lost their next game to Bloom of Chicago Heights.

Freeport then went on a nine game victory spree. First on the list was Elgin, who was defeated in a close one, 51-48. The Zion-Benton Zee-Bees fell before the Pretz, as did East Rockford. In the E-Rab clash Carl Cain established a home court record, by pouring in 34 points. Sycamore and East Aurora were added to Freeport's list, as was West Rockford, 59-43. In a nip and tuck game at LaSalle-Peru, the Pretz won out, 47-46. Belvidere's ball possession failed to stop the Pretzels, and a plucky West Aurora quintet couldn't do the trick either.

The victory skien was finally halted by the E-Rabs on their home court, 33-29. Freeport rebounded quickly to defeat Clinton, Joliet, Dubuque and LaSalle-Peru, to close the regular season.

In the regional tourney, Freeport defeated Galena, Orangeville, and Elizabeth, and earned the right to advance to the sectional held at Sterling. The first game brought the Pretzels up against the much heralded West Rockford Warriors. Trailing 48-37 with but five minutes and twenty-three seconds remaining, Freeport staged the most stupendous comeback in F.H.S. history as they trounced the Warriors, 59-55. In the championship game Freeport breezed by Rock Falls, 69-60.

Then it was on to Champaign for the third straight year, where the Pretzels met their match in the form of a rugged Quincy quintet, 74-68.

The Pretzels closed the season with a 23-4 mark, and eight wins and two losses in Big 8 play, for second place. Carl Cain was honored by being chosen for the All-Big 8 and All-State teams.

Junior-Varsity Basketball

The Jayvee hoopsters, under the guidance of Ralph Durham, completed the season with a record of five wins and four losses.

The J-V team was met at the beginning of the season by a rugged Galena varsity and were beaten, 58-46. They met the same fate in their next encounter as they were beaten by Sterling, 38-33. Still unable to find the hoop, Durham's boys were defeated by the Rockford jayvees, 59-51.

On the rebound after these early season

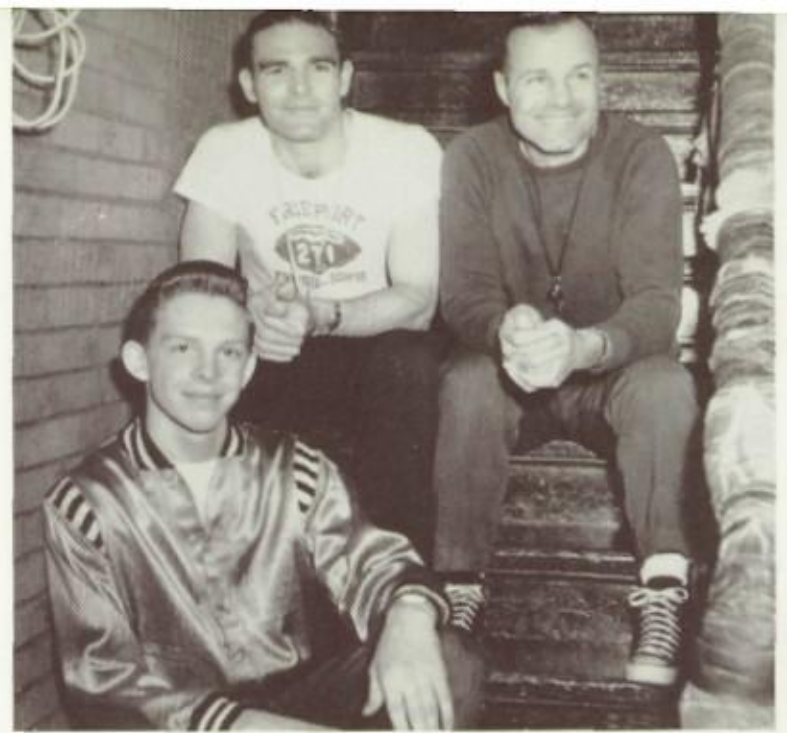

setbacks, the J-V cagers trounced the Beloit J-V team, 54-45, and the Pearl City varsity, 58-34. The jayvees then fell before the onslaught of a scrappy West Rockford team, 80-46, but came back in their next game to defeat East Rockford, 63-48.

The J-V's next got revenge for an early season setback as they defeated the Galena varsity, 64-54. The jayvee crew closed the season by beating Pearl City for the second time, 53-44.

Coach Joe Spudich was again faced, at the outset of the season, with the task of building a team out of green material. Nevertheless, he managed to mold a team which completed a moderately successful season.

The Pretzelettes lost their opening encounter, 47-38, but bounced back the next week to beat Sterling, 38-33. The Pretzel-ettes next ran upon the rocky road of defeat by losing their next four games, 51-40 to Kewanee, 63-33 to West Rockford, 49-45 to

John Deere Junior High of Moline, and 37-35 to Elgin.

The Junior Pretz finally got on the right track by piling up a five game winning streak. This included a 47-30 romping over Zion-Benton, and a thrilling 49-47 overtime victory over the Rablets of East Rockford. The fighting Pretzelettes next sank Sycamore 45-33, edged East Aurora, 42-40, and got revenge for a previous defeat by bumping off West Rockford, 47-36.

Bob Picking pulls a rebound out of the reach of a Zion-Benton lad.

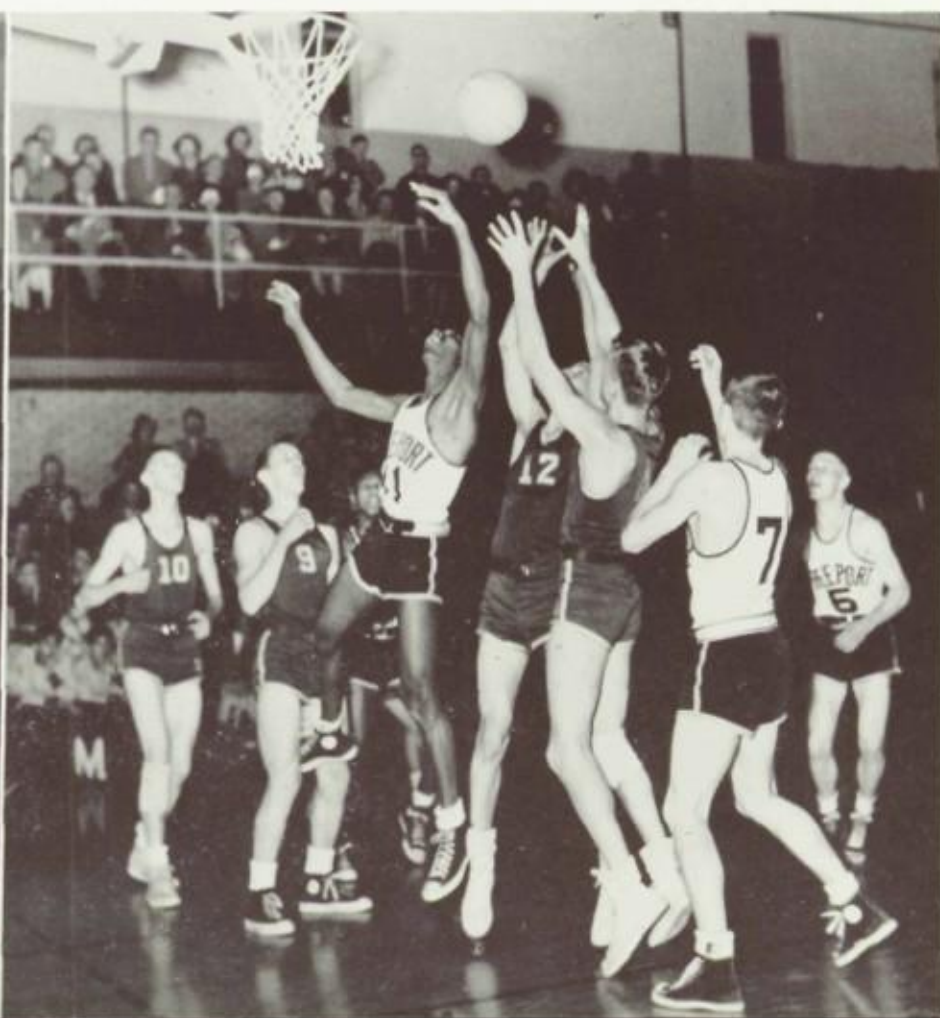

The Pretzelettes then were dumped by a rugged LaSalle-Peru quintet by a 63-45 score. The following night the Junior Pretz had similar bad luck as they bowed to Belvidere, 47-42. A rebound basket by Wayne Heitz in the final seconds of play gave Freeport a 47-45 victory over West Aurora. East Rockford then overpowered Coach Spudich's contingent, 57-31.

Reverend Pearson led the way in the next game with 17 points as the Pretzelettes subdued Clinton, Ia., 49-42. Although the Pretzelettes staged a brilliant last quarter rally, they fell short of the mark and dropped a 49-45 decision to Joliet. Dubuque next swamped the Pretzelettes, 66-39, as the Pretzelettes appeared cold at the hoop. Although Malcolm Pearson sank what seemed to be the game-winning basket, it was not allowed and thus permitted the LaSalle-Peru Incas to walk off the floor with a disputed 43-42 decision, in the final regular season game.

The annual Belvidere tournament followed, in which some of the best frosh-soph teams in Northern Illinois compete for the winners trophy. In their first encounter the Pretzelettes appeared to have little trouble as they defeated Libertyville, 47-36. Elgin ended tournament hopes for the underclassmen by beating them, 75-44.

The frosh-soph finished the Big 8 campaign by placing fifth with a 4 won, 6 lost mark. In over-all season play, the Pretzel-ettes ended up with a 9 won, 12 lost record.

Ronnie Bender, fighting Pretzelette guard, finished in fourth place in the Big 8 conference scoring race with 121 points. Malcolm Pearson ended in the 10th spot with an even 100 points.

Freshman Basketball

The 1951-52 freshman basketball team under the coaching of Don Knauff may not have been an all-victorious one, but the experience they gained through the games they played will prove valuable in the seasons to come.

The frosh cagers got off to a slow start by losing their first game, 56-30, to the Galena frosh-sophs, and their second game, 29-20, to Roosevelt Junior High School of Rockford.

The Freshmen hoopsters then went into the

victory column by defeating the Aquin frosh-soph 47-42, only to lose to the same team in their next game, 30-29. In a return game with Roosevelt Junior High, the freshmen again were beaten, 40-31.

The Durand freshman-sophomores proved to be too tough for Knauff's crew by beating them, 64-28. The final game of the season for the Freeport High freshmen was chalked up in the victory column as they outlasted a makeshift Y.M.C.A. team, 29-26.

Baseball

Freeport High's diamond crew for 1951 under the coaching of Gene Marks, had the most successful season since baseball was inaugurated at F.H.S. four years ago. The team turned in a record of five victories against only three defeats. The team started the season by smothering Pecatonica, eleven to one, behind the pitching of veteran Jim Hill.

This was followed by another win, this time over Barrington eight to seven, with big Jim Hill again doing the hurling. Freeport led Barrington 8-0 going into the last inning, but Barrington threw a scare into the Pretzels by scoring 7 runs before the side was finally retired.

With Burton Williams doing the pitching the Pretz chalked up their third straight victory, by defeating Lena, 5-2. Lena was no match for Freeport as Williams allowed only 5 hits. Williams also struck out 5 men and walked but three. John Barth led Freeport batters with 2 hits in 4 trips to the plate, followed by Ronnie Bender, Joe Fair; Jim Hill, playing right field, Duane Kielsmeier, Williams and Ben Dorsey, each collecting one hit to aid the Freeport cause.

The fourth straight team to fall before the Pretzel sluggers was Winslow, which bowed 4 to 3. Jim Hill was again on the mound and by turning in his usual creditable performance was able to turn the tide in Freeport's favor.

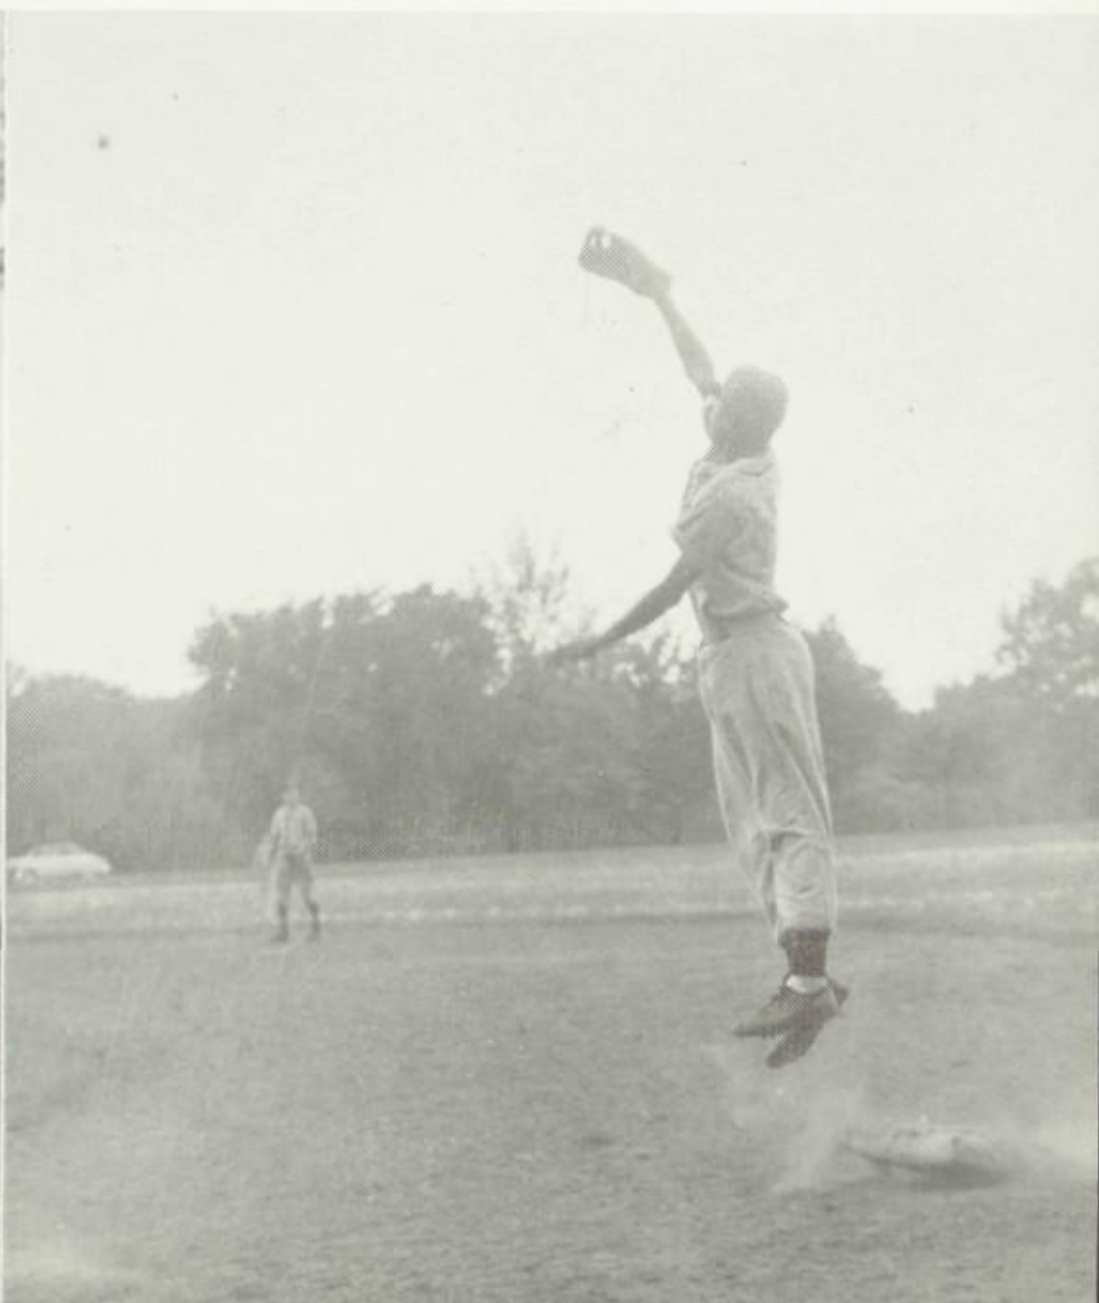

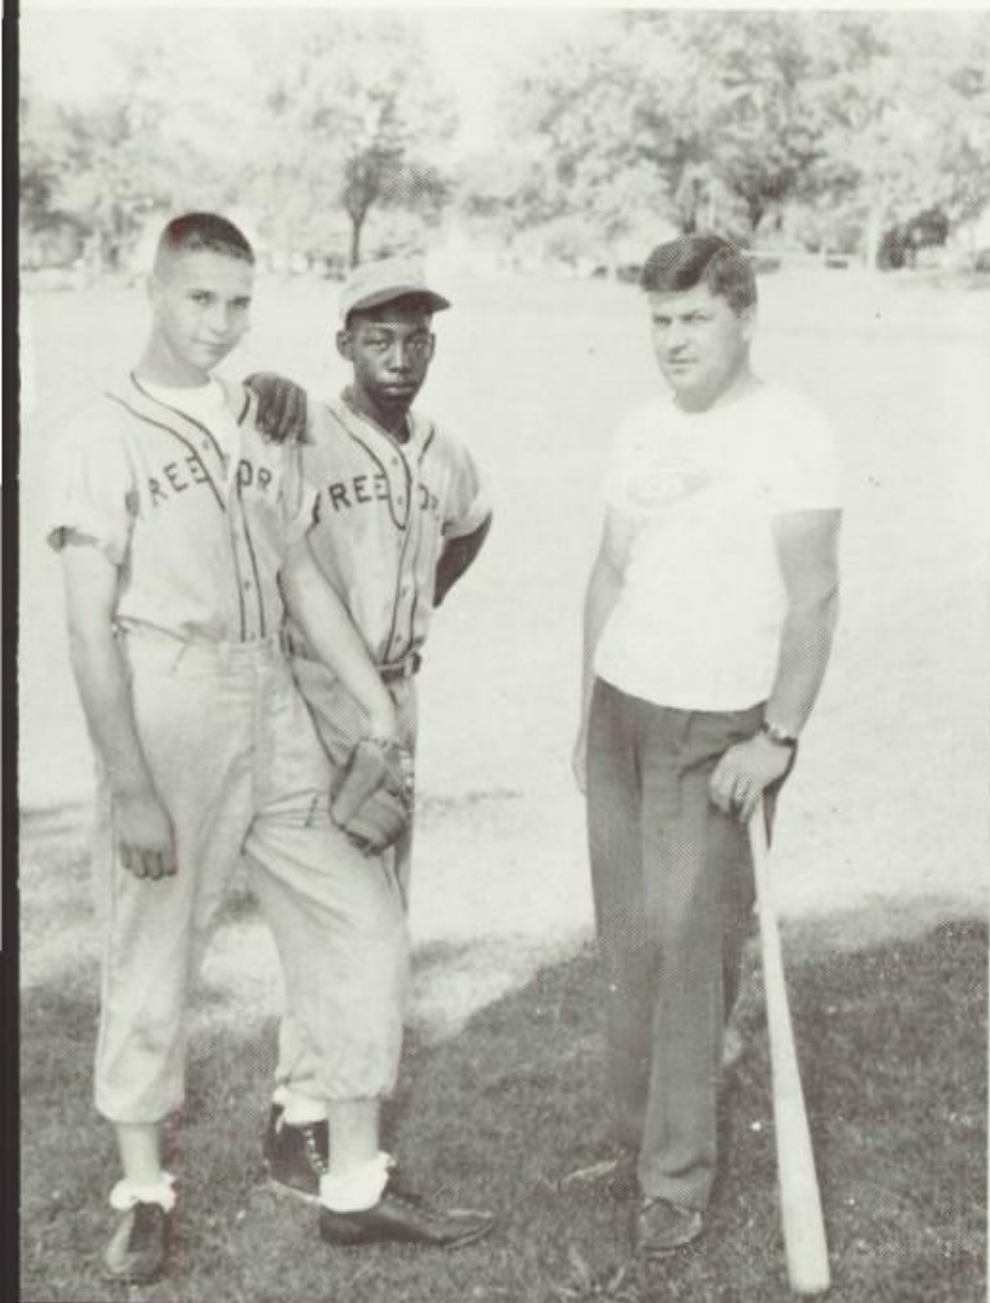

Jim Gastmann and Ben Dorsey led the Freeport 12 hit attack with 3 safeties apiece, as Freeport stretched their victory streak to 5 straight by rolling over St. Thomas of Rockford, 16-3. Supported by errorless

fielding by his team-mates, Jim Hill scattered 9 hits and struck out 10 men. Although hit quite freely, Hill was tough in the clutch and had perfect control, not allowing a single base on balls. Freeport had the pleasure of batting around in the first and fifth innings to score 7 runs in the first and 6 in the fifth. Three runs in the sixth completed Freeport's scoring.

The victory chain of the Pretzel's was finally snapped by the West Rockford Warriors.

Row 1: J. Hill, D. Scovill, B. Williams, B. Dorsey, G. Krell, J. Kennedy, D. Kielsmeier. Row 2: J. Bader, J. Gastmann, D. Voss, J. Fair, J. Doherty, D. Herbig. Row 3: J. Spangberg (mgr.), K. Padfield (mgr.), J. Barth, F. Oxley, J. Allen, D. Brubaker.

The Warriors clustered 3 runs in the sixth inning to take a 7-5 victory from Freeport. At that time the Pretz were holding a 5 to 4 lead. The hitting department for Freeport was led by ace pitcher Jim Hill who hit safely 3 times in 3 trips to the plate. His performance was supplemented by Dorsey, Kielsmeier, Bender, Doherty, and Barth who each got one hit.

West Rockford eliminated the Freeport Pretzels, 3-1, in the Freeport district tournament. Freeport played without number one pitcher, Jim Hill, and regular third baseman, Jim Gastmann, who were performing at a music festival at Clinton, Iowa. Burton Williams, filling in for the missing Hill on the mound pitched a good game with 2 of the 3 runs off him unearned. Williams allowed 7 hits, struck out one, and walked one. Freeport managed to collect only 3 hits, one each by Dorsey, Doherty, and Barth. Freeport's score was made in the third inning when Barth scored from third on a wild throw.

In a game which was halted because of rain after 5 innings of play, the Pretzel baseball team closed the season by losing to a rejuvenated St. Thomas outfit, 13-8, in a return game. Freeport had beaten St. Thomas 16-3 earlier in the season. Hill and Williams shared pitching duties for the Pretz.

At the close of the season letters were awarded to the following: Catcher, John Barth; Pitchers, Jim Hill and Burton Williams; First Baseman, Joe Fair; Second Baseman, Duane Kielsmeier; Shortstops, Ben Dorsey and Ronnie Bender; Third Basemen, Fred Oxley and Jim Gastmann; Center Fielder, Jim Doherty; and Right Fielder, Don Marchesi.

Coach Marks is optimistic over the prospects for the 1952 team. Although no returning lettermen are pitchers, prospects are bright since Fair, Kielsmeier, Bender, Gastmann, Oxley, Doherty, and Marchesi are all experienced lettermen. If the pitching problem can be solved, the Freeport High Baseball team in 1952 may cause a great deal of favorable comment.

Track

Partly due to the absence of three potentially great tracksters, Harry Smith, Deacon Davis, and Tom Williams, the 1951 track squad had to go through the season with only one dual meet win. Opening the season at the annual West Madison relay, Coach Howard Weber's thinclads failed to collect any points, but profited by the experience.

In the first dual track meet of the season, East Rockford swamped the Pretz 92-21. Freeport failed to score first place in any event but the performance of Roger Meads in the 120 yard high hurdles, and the 880 yard relay team of John Parson, Bill Spahn, Rog Meads, and Les Williams, which lost to Rockford by a tenth of a second, provided the few rays of sunshine.

Freeport's cinder squad emerged fifth at the Sterling relays by scoring 9 points. Freeport's points came by scoring 3rd in the high hurdle shuttle relay, the two mile relay, and 880 yard relay, and fourth in the 440 yard relay, mile relay, and low hurdle shuttle relay.

At the Clinton Gateway Classics, Freeport's cinder squad finished fourth against a strong field of competition. The mile relay team of Leon Clouser, Bill Trunck, Les Williams, and Jerry Hunefield finished fourth, as did the half mile relay team. John Parson in the 100 yard dash and Spahn in the low hurdles won ribbons for finishing fourth, while Bonvillian ran fifth in the mile and Wes Luedeking shared a six-way tie for fifth place in the high jump.

With the help of Luedeking, who scored 16½ points, the Pretzels scored a dual meet win over Dubuque. Luedeking won the discus throw and high jump, tied for second in the pole vault, and placed fifth in the shot put.

At the District Meet held at Rockford, Bill Spahn qualified for the State meet at Champaign. His qualifying performance came in the 180 yard low hurdle which he ran in

The eleventh annual Pentathalon was won by Wes Luedeking, the first time that a sophomore ever won the event. Wes scored 2943½ points which earned him the gold medal. Second place and the silver medal went to Bill Spahn who compiled 2782½ points, and third place and the bronze award went to Roger Meads who had 2580½ points.

Eleven varsity letters were presented to the following: Bill Spahn, Wes Luedeking, Roger Meads, John Parson, Les Williams, Jerry Hunefield, Charles Bonvillian, Carl Hepler, Don Mahlke, John Altman, and Dave Randolph. Frosh-Soph letters went to Gary Keith, Malcolm Pearson, and Larry Stees. Tom Altenbern and Bill Fishburn received managers' letters. Les Williams was elected honorary team captain. Don Gehrmann, nationally famous track star from the University of Wis-

consin, presented the fourth Bill Young Memorial trophy to Bill Spahn at the annual track banquet. The trophy is presented to the trackman who scores the most points during the season in interschool competition. Spahn scored 40 $\frac{3}{4}$ points for the Pretzels during the 1951 campaign.

Returning lettermen for the 1952 season were: Luedeking, Hunefield, Keith, Stees, and Pearson.

Golf Squad

Under the able coaching of Ralph Durham, the 1951 edition of the Pretzel golf team had the finest season in the school's history. The team compiled a remarkable season's record of nine wins and only three losses. Two victories were recorded over both Monroe and DeKalb, with single triumphs over Beloit, East and West Rockford, Rock Falls, and Sterling. Losses were to East Rockford, West Rockford, and Rock Falls. The grass cutters also placed third in the District and third in the Big Eight meet.

Sophomore Rog Rubendall and freshman Pat Keefe consistently shot in the high 70's while Jerry Garns, Paul Lindfors, and Doug Smith shot in the mid 80's to round out a well balanced team.

At the close of the season letters were awarded to: Jim Adams, Stewart Fish, Jerry Garns, Pat Keefe, Paul Lindfors, Rog Rubendall, Doug Smith, Bob Stukenberg, Fred Wagner, and Jack Willis. Of these letter winners eight will return to provide Coach Durham with what should be another exceptional golf team in 1952.

Tennis Squad

In one of the most successful seasons to date, the 1951 Pretzel tennis team chalked up a season's record of six victories and two defeats.

Although losing their opener to Beloit, the F.H.S. netmen lived up to pre-season expectations by trimming East Rockford twice, West Rockford, Dixon, and Sterling. In a return match, Dixon handed the Pretzel court crew their second defeat. Coach C. C. Clarno's boys closed the regular season by blanking Monroe 7-0.

The racket boys also wound up 4th in the Big 8 tournament and 2nd in the State District, where the doubles combination of Hal Horstmeyer and Ben Ruehr qualified for the state doubles finals at Champaign. At the State finals, the doubles team won a point for Freeport by defeating their first round foe, but lost their next battle to Pekin, the eventual state champs.

At a spring athletic assembly Ben Ruehr and Gene Schmitt were elected honorary co-captains. Letters were presented to: Ruehr, Schmitt, Horstmeyer, Ronnie Bowen, John Clarno, Bob Reck, and Bob Williams. Of this number, Bowen and Clarno will return to Coach Clarno for the 1952 season.

Girls Sports

Under the guidance of the new girl's gym instructor, Miss Betsy Deaner, the F.H.S. girls engaged in a variety of activities this year. Although soccer enjoyed the spotlight in the majority of the gym classes, a new sport, touch football was inaugurated in the last hour gym class.

After they had been familiarized with the sport in gym class, the senior girls stood the junior girls in a touch football game on Halloween, with the rough and tough seniors coming out on top.

Also new in the girl's gym classes, was modern dancing, which is interpretative dancing. Because of the popularity of the new style of dancing, a Modern Dance club was organized

with the members giving several performances during the year.

With the onset of winter, the girls came indoors to try their hand at basketball, volleyball, badminton and other winter pastimes. Teams were chosen within the classes, which battled each other vigorously.

When spring came, the gym classes put aside their winter gear in order that they might enjoy the wide open spaces once more.

The air was filled with flying missiles in the form of arrows, tennis balls, and softballs as the girls tried their luck at archery, tennis and softball.

A badminton tournament, sponsored by the G.A.A., was held in the spring. Final rounds were played in an assembly.

Social dancing, consisting of the tango, rumba, and boogie, added a lively note to the gym classes in the spring.

Shuffleboard and ping-pong also enjoyed popularity during the year when the weather forced activities indoors.

Harriss attempts to collect some points in a shuffleboard match.

Although none of the girls qualified for the 1952 Olympics, the girls did achieve their main goal, which was to enjoy themselves during the year with the various forms of recreation provided for them.

Academic

Diners, Main Course and Waiters

. . . As the waiters dish up the main course and the diners devour it, digest it, and put it to use in the form of energy, so do the teachers dish out the information, the students digest it and put it to use as knowledge.

Freshmen

Never again will there be greenhorns toddling about on the first day of school! This final freshman class entered the halls with that wide eyed look as if they were wondering whether they were ever going to learn the building's ways and means, just as every preceding group had done. We, the upper classmen, put them in their high chairs and fed them their ways; the faculty showed them the means. By the time they finished the year the freshmen had been given their beginning "Food for Thought."

Sophomores

The sophomores, having started their second year of high school childhood, graduated from their high chairs and started eating without any help. They knew the better ways to go, the better means of learning, and the better ways of enjoying high school life. They went through that sophomore speech course with many moans and groans, but finally finished with good speech development. They were getting used to their nourishing diet and were beginning to take and like their "Food for Thought."

Juniors

Ah, yes! The juniors have now graduated to cokes and french fries! These new upperclassmen started their year worrying about that U. S. History course. They wrote all the wonderful copy for the new school paper "La Pretz." When May rolled around, they proudly presented the Junior Prom, which was one of the best that hit F.H.S. All in all, those 1952 juniors contributed their dish to this "Food for Thought."

Seniors

Seniors! The class of 1952 has finally reached the height of their high school career after a long, hard struggle. Some completing their business courses with hopes of working after graduation, others slaving away with college algebra and chemistry to qualify them for college, and others with still other goals in mind: but all seniors!

After commencement exercises on June 2nd, the Class of '52 realized that, although they could no longer do it as a class, they would always have a hardy appetite for learning.

The Main Course Is Found In The Classroom

Getting an education is, after all, the important thing in high school. We vary in how much time we spend in activities and sports but nearly all of us spend about seven hours in the classroom. That is why studies are the main course in our meal.

Mr. B. shows how.

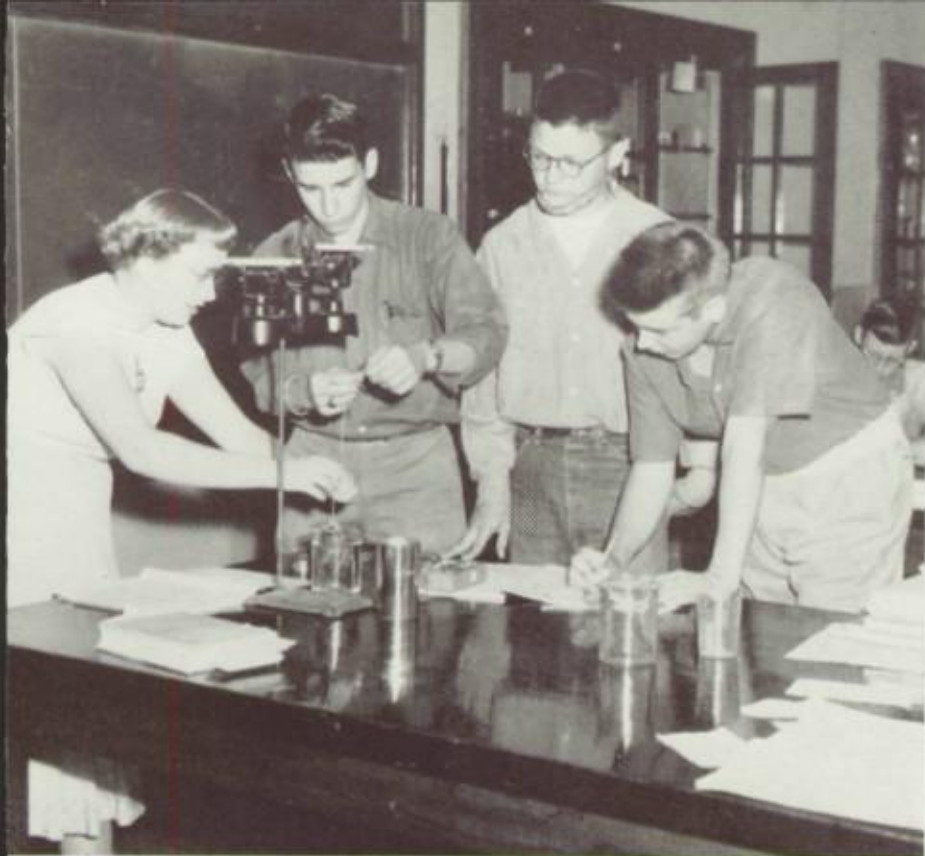

Stars glisten in Dramatics class.

Homework for some.

Of course, we must admit, not all the time put in during class period is spent in gathering knowledge. You may have noticed that some of the people in your classes show only a faint interest in what the teacher is saying and that a few seem to be thinking about something (or someone) entirely foreign to the subject at hand. However most of our students are "on the ball" as our scholastic average indicates. The people in the pictures all seem to be working hard, which should mean something.

We all have taken different courses at F.H.S. but there are some we all went through. Here are a few we all remember no matter what our majors are in:

Homeroom: time for chatting with your neighbors about such abstract problems as sleepwalking, the presidential race, or the relative dragging ability of X car and Y car. Also time to hash over such vital subjects as last week's game, the third problem, or why John is looking at Mary so much. La Pretz comes around every other Friday (usually) and every Wednesday we are "guided."

In F.H.S. nearly everybody reads the Observer.

Gym class: such fighting spirit being displayed in improvised games. Spirit that sometimes leads to complete abandonment of the orthodox rules and substitution of "commando" rules. Wondering vaguely whether to pay the towel fee and get it over with or to eat a square meal for lunch. The groans that arise when "Phog" suddenly decides that we need some good stiff calisthenics for a change. Standing under the shower afterwards and letting the water run all over you, feels nice, sure needed it too.

"Mr. Clarno, this doesn't come out."

So that's what that smell was!

Let's put in an escalator.

"Hey girls, could you sew this button on for me?"

I always thought they stood up to sing.

Keep your eyes on the copy.

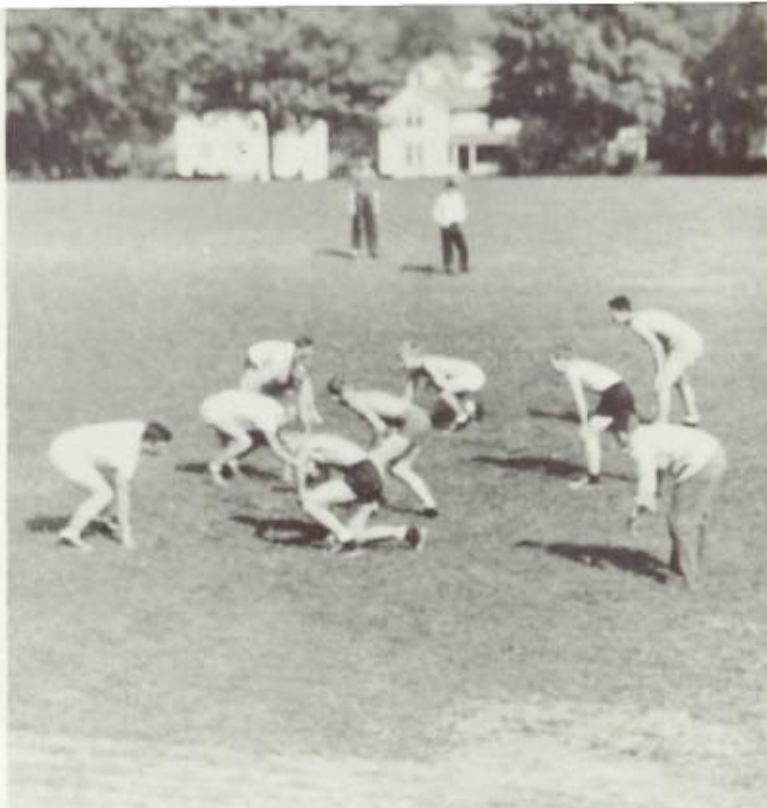

English class: Word Wealth, spelling, book reports, themes. Learning to read without moving your lips. Reading about Mark Twain's trip West and why the Green Knight lost his head. The pleas for less grammar and more lit. The pride in having written something you think is good.

Study hall: the most versatile period of the day. A work period, a rest period, a music appreciation period (sixth hour only), or a period to ponder the isness of the what.

Seasoning for the main course is the grades. Experience has shown that a well-seasoned meal is enjoyed more than a poorly seasoned one. Every six weeks we find a new taste and sometimes it doesn't taste so good. But remember this about main courses. Whether or not they are the most enjoyable of the courses, they're always the most nourishing.

Now block, now block.

Get the book with the large print.

Sh, don't break the trance.

Now let's see you lay rubber.

Activities

Hi Mom:

You know I don't like this, but I guess I'll have to do it. Good luck in the future to the nicest girls I know. After I'm gone, you're going with somebody else, look back and see how this sounds.

I love you

Dessert . . . As dessert tastes good at the end of a meal, so activities relax you at the end of a school day.

Freeport Chapter

Freeport High's chapter of the Future Farmers of America is just a small part of a vast organization totalling more than 280,000 agriculture students.

Every year there are numerous contests held among the chapters of Future Farmers in section one. The annual contests include grain and poultry judging, livestock judging, soil conservation, public speaking, and parliamentary procedure. These activities are held to teach students how to pick good quality stock for their farming programs.

This year the members of the Freeport

Officers; seated — P. Wichman (V-Pres.), R. Neiman (Sentinel), D. McCulloch (Pres.), J. Vehmeier (Treas.), K. Palmer (Sec.).

Broadcasting—G. Thompson, K. Koeller, L. Eisenman, J. Turner.
Testing soil—F. Kortemeier, L. Klages, L. Strohacker, W. Wilhelms.

chapter earned a total of \$14,072 from the crops and animals they raised. There were 16 beef cattle raised, producing 18,545 pounds of beef. With a total of 195 swine there were 40,633 pounds of pork raised. There were 36 head of dairy stock, producing 111,935 pounds of milk. Three members owned 19 sheep which produced 160 pounds of wool and raised 780 pounds of lambs. This is just one year's work done by the members of Freeport's Future Farmers.

Soil testing was a popular activity in the agriculture building. Many members took samples of soil from entire farms. Milk tests for the percentage of butterfat, and germination tests for the percentage of healthy seeds, were also made for farmers in the Freeport area.

Future Farmers of America

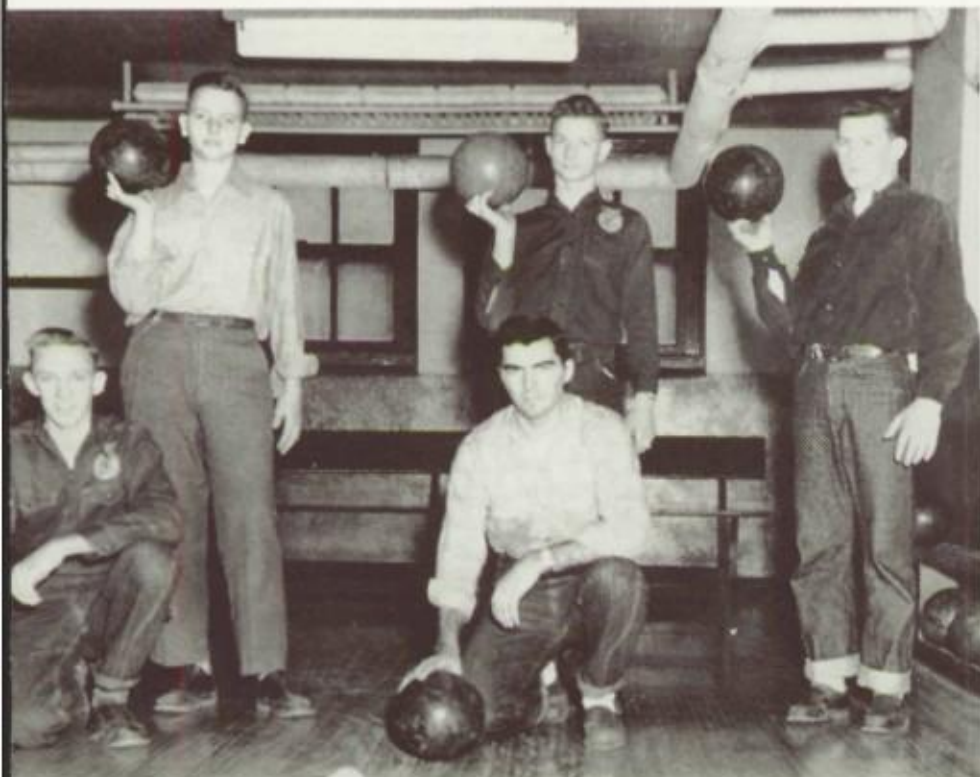

This year the FFA sold Christmas cards with total sales of \$188. They also sold vegetable and flower seeds. Last year the FFA sold around \$650 worth of seeds to this year's \$606 worth.

In October the Freeport chapter was host to 18 other chapters during leadership training day. Every year the FFA officers from other chapters in section one hold a meeting to find out what is done in other chapters so that improvements may be made in all of them. It is also held for the purpose of teaching members their duties as FFA officers.

Bowling as part of Recreation program — R. Julius, R. Grant, D. Smith, P. Haas, N. Nesemeier.

With chickens—G. Klock, N. Borchers, L. Phillips, D. Wehrenberg, M. Firebaugh.

With cows—H. Hurst, G. Herbig, E. Julius, D. Maxey, R. Adams.

The Future Farmers of America strive for co-operation and citizenship. They strive to keep American farmers the best in the world through scientific methods of farming.

To be eligible for FFA the prospective member must be enrolled in vocational agriculture, must have a definite plan for carrying out a supervised farming project, and must be familiar with the purpose of FFA and its program of work. New members must know the FFA creed and must be voted in by regular members of the chapter.

In addition to the many other activities, the Freeport chapter, under the direction of Vernon Bokemeier, saw many educational films illustrating the latest farming methods.

F. T. A.

The Leslie A. Holmes Future Teachers of America again this year explored the basic and less publicized facts of the teaching profession. Miss Kuhlmeier, the advisor, and the president, Doris Kaiser, arranged varied programs throughout the year. Speakers and films were on the program with a trip to the Illinois State Teachers College at DeKalb topping the list. The vice-president, secretary, and treasurer of F.T.A. were John Clarno, Shirley Scheider, and Jim Seitz.

Science Club

The Science Club of Freeport High is open to anyone with an interest in science. No special theme was set for this year, but experiments and topics were presented and discussed by the members. All of these projects were explained in the beginners language as much as possible. By the leadership of president Bob Williams, with vice-president Myron McLain, and Wally Cordes as secretary-treasurer, assisting the advisor Mr. Funk, the members made a very interesting and educational trip to the Museum of Science and Industry in Chicago. The goal of this club is to give any person interested in science a chance to investigate further into this field. You never can tell, a famous scientist may pop from its magic brew.

TOP seated—M. Eichmeier, R. Rudy, B. Wahlstrom, B. Watz, S. Scheider.

Radio Club

The Freeport High School Radio Club under the direction of Mr. Richard Falley had a very active year.

At the beginning of the term there were only two licensed operators with about five or six others on the verge of obtaining their licenses.

This year the F.H.S. station W9ANO received the W.A.S. (Work All States) Award. This means that F.H.S. students had talked to at least one station in every state in the union. The only continent the club hasn't talked to as yet is Asia.

This is Station W9ANO signing over, out, and clear for 1952.

Public Address

"What did he say?" This is no longer a common phrase in the Freeport High gym.

For this we can thank a few boys, who, under the direction of Mr. Richard Falley, set up the public address system.

Every time there is an activity in the gym of F.H.S. these boys can be seen setting up the P. A. system.

Visual-Aids

"Movie today!" is a welcome cry to many students of F.H.S. This year Mr. Cary Farr and his thirty-one projector operators presented about 300 films and slides to the students to coincide with their studies.

Home Economics Club

Any girl who has a keen interest in the home economics field finds that the home economics club at F.H.S. brings a lot of fun and help in learning many new ideas. A girl may join if she is now taking home ec. or if she had previously taken it. With Miss Lillian Matthiesen as their advisor, the club carried on many activities, their main event being a Christmas tea.

Modern Dance Club

"There is a new invention at Freeport High!" A Modern Dance Club was organized under the leadership of Betsy Deaner. To attain membership in this club the girls had to "try out" by going through several dance routines. Members chose a song and composed a dance to go with it. During the year Modern Dance girls presented programs for Junior High, Senior High Teacher's Initiation, National Beauty Week, and the F.H.S. Christmas concert.

G. A. A.

Where are all those peppy gals going when they rush over to the gym after school every Friday night? They're on their way to have fun and to learn sportsmanship by participating in the G.A.A. activities.

In the course of the year, these girls play football, soccer, badminton, volleyball, basketball, and kickball. On Wednesday night they swim or bowl at the Y.M.C.A.

They have frequent parties such as their initiation, Christmas, and skating parties. In the spring a Mother-Daughter Banquet is held.

Lettermen's Club

The Lettermen's Club is composed of varsity lettermen who have won an "F" in sports. Some of the activities which these boys undertake during the school year are; ushering at basketball games, giving a Christmas basket to a deserving family, and the Lettermen-Faculty basketball game. The highlight of the year is the initiation, to which dates are invited.

Cheerleaders

"Neither rain nor snow, hail, nor gloom or night shall keep these cheerleaders from the game." This was the motto taken up by the cheerleaders this year.

These girls could always be seen leading the fans in loyal support of their teams. To add more pep to their cheers, they put in acrobatic stunts and many new formations.

La Pretz

Reporters running through the halls trying to catch up with the latest "scoop," advertisers setting up the ads, make-up workers struggling with the next issue, all this is a part of the Freeport High School Newspaper, *La Pretz*, formed this year by a group of journalists who wanted a student publication of their own.

Coming out bi-weekly, the paper is subscribed to by two-thirds of the students. The staff, under the direction of Miss Beulah Charmley aims to produce the latest news, features, and sports in the way the students want it presented.

The paper is headed by Editors William Weimer and Mary Jean Barrie. Sybil Mensenkamp is in charge of the business staff, with Bill Trunck as assistant. The news staff editor is Jim Seitz, and the feature department editor is Georgia Mellom, and coming up with the last page is sports editor, Jerry Snyder.

Co-Editors: Mary Barrie, Bill Weimer.

Polaris Staff

Did you notice that light burning late at night in room 115 many times during the school year? Well if you did, the reason is in your hands now, for it was the four editors working on the 1952 Polaris. These editors were Don Breed, Gerry Briggs, Judy Price, and Rita Rudy. The sports section was supervised by sports editor Fred Wagner. The business was taken care of by Bill Trunck and Jim Seitz who acted as business managers. Pat Powers did the correspondence and Pat Yahnke and Doris Rahn were art editors. Their big task was completed with a huge celebration including dinner at the Wagon Wheel in Rockton with the La Pretz staff.

Co-Editors: Don Breed, Rita Rudy, Gerry Briggs, Judy Price.

Seated: M. Barrie, C. Todd. Standing: L. Walker, E. Williams, J. Seitz, G. Briggs, S. Mensenkamp, J. Edge.

Quill and Scroll

Quill and Scroll is the national honor society for high school journalists. These students write for the La Pretz, and work on the Polaris. Members of this organization are those who are at least a junior in standing, are in the upper third of their class in general scholastic standing, and have done superior work in some phase of journalism.

She's not a fugitive from a hamburger! All that catsup and mustard is part of the Philomathian Society informal spring initiation! All Seniors who maintain a B plus average in English are eligible for membership in this honorary English club under the guidance of Mrs. Janet Warren. Programs are given by students and guest speakers. A banquet is another yearly custom of this organization.

Varsity Debate

An ancient debaters' rule states, "If you know the law and are weak on the facts, quote the law. If you know the facts, but not the law, state the facts. If you're weak on the law and the facts, pound the rostrum."

With this in mind, the students in room 109 walked eagerly up to the beaten, battered old rostrum to begin the daily battle of the vocal chords, and to prove that there's no question as to the right side in the problem.

In addition to the usual task of writing a case, the debaters this year had the task of breaking in a new coach. However, Mr. Garrett proved to respond readily to instruction, and it is safe to say that he no longer gets gray hairs from the antics of the debaters.

Frosh-Soph Debate

Freeport's frosh-soph debate team, although starting with little experience, fashioned a successful record for the season. In addition to winning the strong Blue Island Tournament on Lincoln's Birthday, they won the tournament held at Moline and took second at Mendota.

These three tournaments gave the freshmen and sophomores in the class excellent experience for the future when they will become varsity debaters. Interest in the debate class was much greater at the beginning of the second semester for the enrollment of the underclassmen more than doubled.

Coach Garrett was well satisfied with the season and the amount of training his debaters were able to receive.

Hall Monitors

The noon watchmen at F.H.S., the hall monitors, worked in cooperation with the Student Council in enforcing the rules of the halls. They were stationed at each door on the main floor to enforce the new rules passed by the Council. These monitors were given the authority to keep all students out of the halls during the two lunch periods. A new rule was put into effect in connection with entering study hall 17. Instead of one as during previous years, students were able to enter through two doors into the study. This was due to the splendid work of these fifteen hall monitors and their faculty advisers, Mr. Murray Funk, Miss Fern Kuhlemeyer, and Mr. Reuben Baumgartner.

Thespians

"Act well your part; there all the honor lies." So goes the motto of the National Thespian Society, whose purpose is to advance the standards of excellence in dramatic arts.

The F.H.S. troupe, 464, with their leader, Miss Jeannette Lloyd, meet the first Thursday of every month. Meetings are held in the members' homes. Every other program is student participation and the remaining programs vary as to what the group prefers.

Every spring, the Thespian Annual initiation banquet is held in the ballroom of the Y.W.C.A. All those who have worked and completed their requirements undergo the final vows and become fullpledged members of the National Thespian Society.

Mask and Wig

Everyone wants to get into the act and in Mask and Wig everyone does get into the act. Mask and Wig is a dramatic club that is open to every student in Freeport High School, and many take advantage of this fact. The organization is particularly helpful to underclassmen because it is here that they get the basic fundamentals of drama. The programs are planned to give every member a chance to demonstrate and improve his acting and to learn to work behind the scenes.

Readings help future actors and actresses to portray emotion and to gain confidence in themselves. Skits are given and charades are played not only to let the students act, but also to develop their creative imagination. Members are encouraged to learn what makes a good play by writing original ones. Make up and costume demonstrations enable members to work on various play committees as well as be in the plays themselves.

With such able persons as Don Breed, President, Janet Furst, Vice President, and Gerry Briggs, Secretary-Treasurer, for officers and with Miss Lloyd as advisor, it is no wonder that Mask and Wig develops fine talent and good workers for our school plays.

Well, the play is over

Junior Play-Class of '53

"Men are like streetcars. If you miss one there is sure to be another one along soon," was the idea the Junior Class of 1953 gave to the audience in their performance at the Consistory Auditorium last fall.

I didn't know the gun was loaded!

The play took place in the living room of a teenager, Maudie Mason, who had all the ideas (so she thought) there was to know about men. Maudie kept her girl friends all ears with her techniques on how to trap a man. Maudie's shy cousin decided to practice some of these suggestions and she ended up taking all the boys away from Maudie's girl friends. But, this was only the beginning of Maudie's troubles! In trying to get her older sister Sylvia married off, she only succeeded in making matters worse by persuading the wrong boy, not to mention the

I dreamed about you last night.

fact that she almost lost her own boy friend, Davy.

The mothers of the girls came to Mrs. Mason reporting their disgust in the way Maudie was behaving, and for a minute Mr. and Mrs. Mason thought they were going to have to move from the neighborhood. To complicate matters more Maudie was the cause of her father practically losing his job.

How she ever succeeded in getting all her problems solved was answered by her reply, "No line is the best line of all. I just started telling the truth."

Miss Jeannette Lloyd, the director of the play did an excellent job as usual in selecting the cast, of which were all perfect in their parts.

If I "dood" it, I get a licking. I "dood" it.

Full house.

"Put that inkwell down, Henry!"

"What a Life" and what a play! "What a Life" was the play produced by the Class of '52 in their junior year. Miss Jeannette Lloyd directed this three act comedy by Clifford Goldsmith, depicting the trials and tribulations of Henry Aldridge, that teen age boy familiar to all of us. Henry is the type of person who seems to get himself in many difficulties. Yet he is never sure how they happened to him, and neither is anyone else. He is a constant but pleasant source of exasperation to his parents and teachers.

The play revolves around Henry's ability to draw caricatures of his teachers, a broken

"But I tell you there isn't any word in Latin for 'gentleman.'"

date, a history test, and the theft of band instruments.

To have a flair for art is the dream of many, but Henry's talent was the cause of much trouble for Central High School. Because of his cartooning habit we find Henry in the office two days before the big dance. Henry's troubles multiply when he tries to find broader shoulders to take the blame for the drawings. However, George Bigelow, the owner of these shoulders, doesn't see eye to eye with Henry and doesn't hesitate to tell Principal Bradley this.

"What A Life"

"But I've got to see Mr. Bradley!"

"It was a wonderful dance."

"I said leave him alone."

Henry is even less endeared to George when, as a result of the confusion, Barbara Pearson breaks her dance date with George and makes one with Henry. Soon after the date is made difficulties arise which threaten to keep Henry from the dance.

Mrs. Aldridge refuses Henry money for dance tickets, which he had promised to buy from Gertie, unless he passes the history test with honors. The resultant cribbing from George's paper puts him on probation.

This probation ends abruptly when the band instruments are stolen and the pawn ticket found in Henry's locker. Henry doesn't tell Barbara he has been expelled but tells

her he is going to visit an uncle who has sixty days to live. Barbara has enough to worry about because Miss Wheeler, the nervous music teacher, is helping her prepare the daily assembly exercise. After many attempts Bill, an eager beaver student, gets past the secretary, Miss Shea, and gives the "valuable" information that he has seen the thieves but cannot identify them.

After hilarious misunderstandings Mr. Ferguson, the detective, finally discloses that George Bigelow is the culprit. This solves one of Henry's problems, and the amiable assistant principal, Mr. Nelson, takes care of his pecuniary difficulties by giving Henry the necessary tickets.

Secretarial Club

Secretaries in the making, with Miss Frances Ritzinger as advisor, get together once a month for interesting meetings. This year's activities included personal interviews with persons having secretarial and office jobs, musical programs with talent furnished by F.H.S. girls, a trip through a local business firm, a Christmas party, and a spring picnic at Krape Park. Each member was given an opportunity to help with the meetings in some way. Throughout the year there were four girls who planned each meeting; refreshments included.

Each student must be enrolled in both shorthand and typing before she may become a member. The officers for the year were: Dolores Staas, president; Anita Koehler, vice president; Carol Valkema secretary; and Joanne Fransen, treasurer.

French Club

Something new was undertaken by members of the French Club this year. They adopted the Dorner family in France. A benefit dance was sponsored to secure funds for clothing materials.

"Le Cercle Francaise" gives a program each month which is designed to be of special interest to French students. The baking of pralines, a French confection, highlighted one meeting. Another enjoyable evening was spent in learning to play a French card game. Together with the other language clubs, they viewed the movie "12,000,000 Brothers." The spring picnic and roller skating party, held jointly with the Spanish Club, at the "Pines" climaxed a successful year.

The officers: Tony Bamberg, Sue Read, and Alison Furst, had the counsel of Miss Luebbing, club advisor, in planning and carrying out the year's program.

Spanish Club

"El Circulo Castellano" has completed another successful year under the direction of Miss Dorothea Schmidt, and their officers Bill Metzger, President; Joe Fair, vice president; and Virginia Hagens, secretary-treasurer.

Among the interesting programs was a scavenger hunt, when the members had until the following morning to collect the items written in Spanish. At another meeting, the club viewed movies of Mexico taken by a Freeport resident. The Christmas program portrayed a traditional holiday celebration in Spanish speaking countries. The annual initiation of students having taken Spanish for one or more semesters was held in February.

One of the outstanding events to which the members look forward is the spring picnic held with the French Club.

Latin Club

Under the capable leadership of Miss Mabel Bowers, club advisor, and the officers Rosemary Hasse, president; Learia Walker, vice president; Bill Trunck, secretary; Elaine Williams, treasurer; many interesting programs have highlighted "Societas Romana" this year.

From the welcoming committee many previously unknown facts about Latin subjects were disclosed to the new members, who have had one year of Latin. The way this was brought about was through the modern game of "Truth or Consequences." Rumor has it that the contestants were the underdogs before it began but took it in good spirit.

During the week of April 18, the date of the founding of Rome, they held their annual banquet. This was the wonderful climax to a year of fun for all the members.

Student Council

Democracy at work! By its many projects Freeport High's governing body worked for the betterment of the school and student body. They set up a milk bar in the cafeteria for serving ala carte items in order to speed the movement of the lunch line. With the other schools of the Big-8, Freeport High helped support a European child. A bulletin board for school news was placed in the main hall. The Student Council sponsored a revised Homecoming, with a decorated float, assembly, and dance. The Halloween party and Twirp Week were under its supervision. The Council decorated a Christmas tree in the main hall during the Christmas season. New waste paper receptacles were placed in the main halls.

Sue Read was elected First Vice-President of the Northeast-Northwest Division of Student Councils at the Hinsdale convention.

Junior Red Cross

The American Junior Red Cross, consisting of representatives elected by each homeroom, is one of the worthiest organizations of Freeport High School. Under the leadership of Georgia Mellom, president, and the advice of Mrs. Stukenberg, school nurse, the Junior Red Cross began its annual drive on November 26 with a goal of 100% membership. Each student contributed what he or she wished and the money raised was used to give Christmas gifts to the King's Daughters Children's Home, the St. Vincent's Orphanage, and the Park View Home. In addition, a chest, containing school and personal supplies, was prepared and sent to children less fortunate in foreign countries. F.H.S. did reach its goal with ninety-two dollars.

Mr. Blackwood gives Pat Giessy a few pointers.

Arts

Swish! swish!, this was the Freeport High School art department. With paint brushes flying the students painted the pictures which we all liked to view in the art annex. The annex contained pictures of everything from trains to football players. As a journalist puts his ideas in words, these students put their ideas in pictures.

Hard at work indoors are Kenny Hickman, Dave Barrett, and Sue Read while Charles Gibson and Richard Miller sketch outside.

Not only was painting pictures a project of the art department, but with their posters they publicized many of the events and school activities of the year. The halls of Freeport High School are always enlightened and made festive during the Christmas season by the stained glass window in the annex. These amateurs of today are the artists of tomorrow.

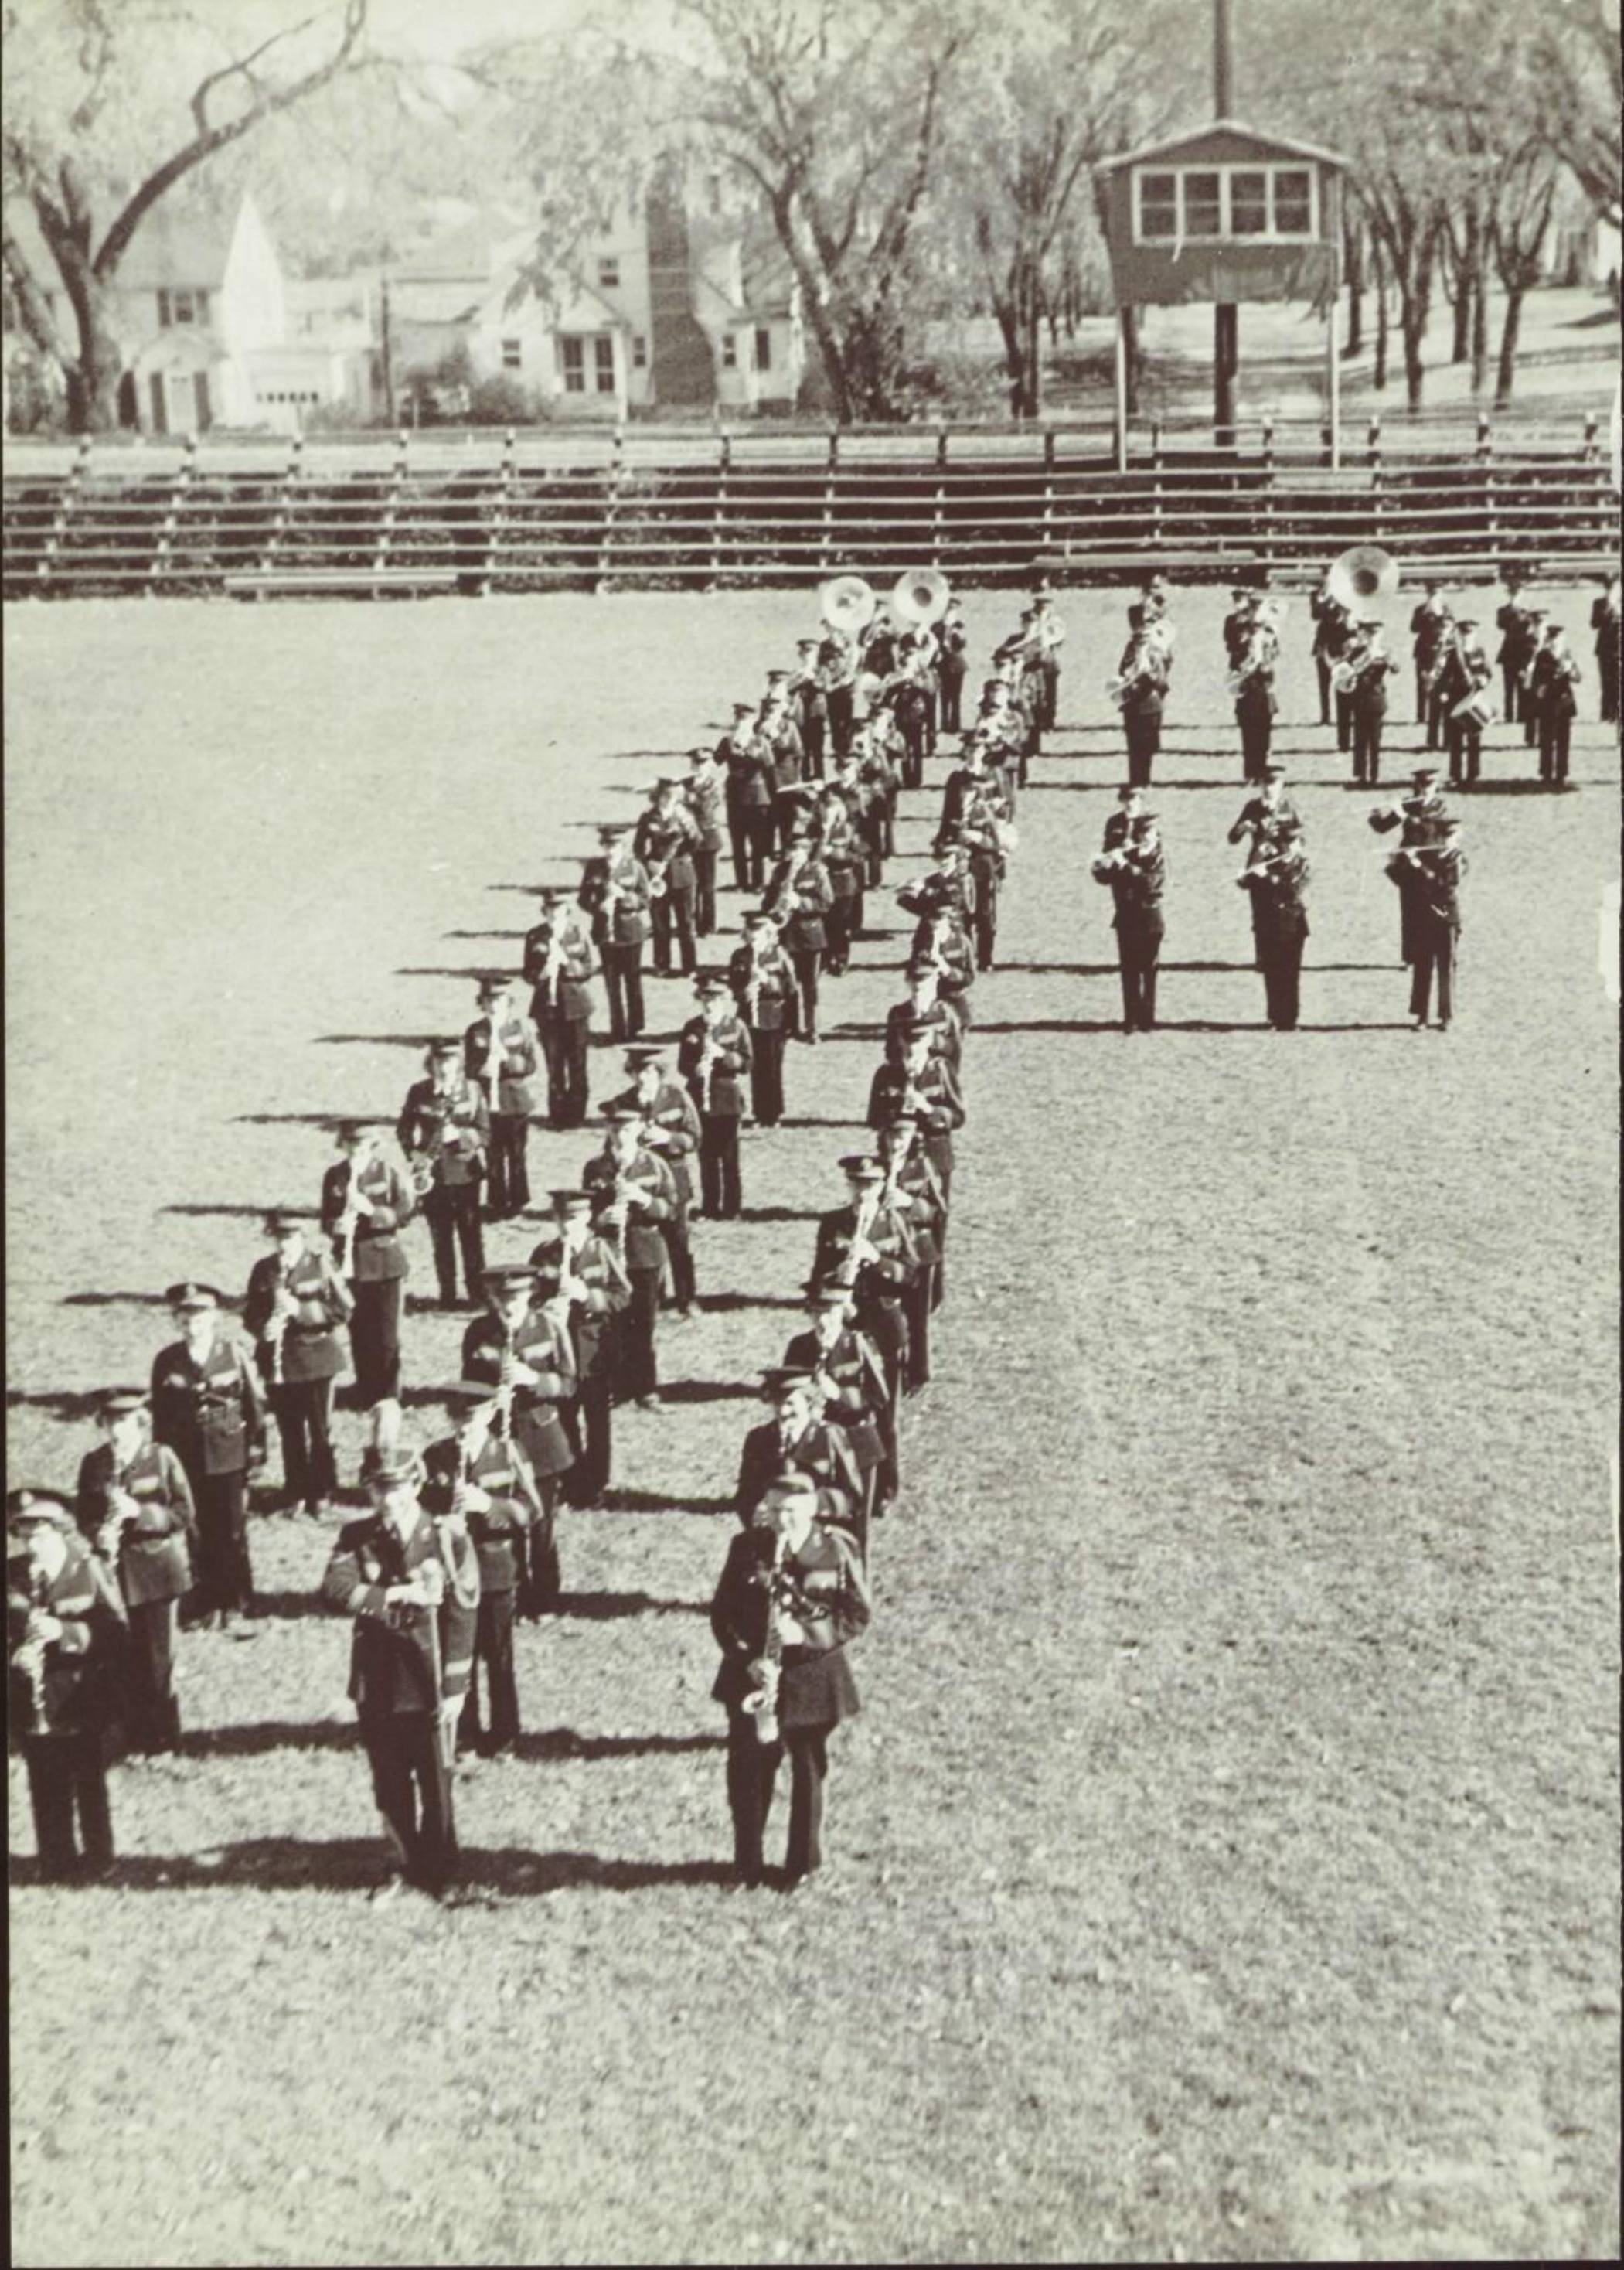

and Crafts

"Gosh, what are you doing with that? Where did you get it?" These are questions often asked of students who are taking home beautifully designed metal trays, chip carvings, baskets, finger paintings, pottery, woven articles such as rugs, place mats, scarfs and material, tooled leather, designed animals, and the many other decorative objects which are made in the crafts department by the students. This department is located in a very cheerful room in the Manual Arts building under the supervision of Mrs. George Madden.

Gloria Hunefield and Marvin Daughenbaugh get instructions in tray painting from Darlene Miller; and Rose Marie Smith, Alice Freel, and Betty Lower, watch John Woodward use the loom.

In the past few years crafts has become a very popular and well-liked course offered at F.H.S. Each year many more and different opportunities are offered to the students, who choose crafts as one of their electives. Boys as well as girls are found enrolled in crafts classes. In recent years, students from the craft department have competed and placed in regional, state, and national art contests.

Music

There is nothing which enhances the savor of good food so much as good music, and Freeport High School is justly noted for the excellence of its music departments.

Students of Freeport High find much opportunity for expression of their musical talent in the various instrumental and vocal organizations. Those students not actively participating in these groups prove by their support of musical programs that they also enjoy music.

"In Old Vienna"

"Pickles! Pickles! Fifty-nine varieties of pickles!" Yes, these are the words of the most remembered song from the musical comedy, "In Old Vienna", presented by the music department on February 5, 1952. The A Cappella choir made up the cast, including all major characters and the choruses of villagers, tourists, and gypsies. The Modern Dance Club furnished the dancers and the pit orchestra was composed of F.H.S. section leaders.

Band

The baton is raised! Its downbeat will begin the daily practice session of the band in the tower. Every day fourth hour the music of the Kampus Kats penetrates through the tower out to the football field. Much time is spent there practicing intricate maneuvers which are performed at half-time of the varsity games. This year at one of the football games the field lights were dimmed and the band members wore lights on their caps which outlined their maneuvers. This was received very enthusiastically by the spectators.

During the basketball season the band provided the fans with entertainment ranging from marches to popular tunes.

The annual complimentary concert for the students and faculty was given in December. In April, the fortieth annual band concert was presented at the Consistory Auditorium under the able direction of Karl Kubitz. In May, Freeport was host to the annual Tri-Double-I music festival for the musicians from Clinton and Dubuque.

Because of the large number of band students, the band was divided into two groups, the Red and the Blue; both of these groups gave a concert the first night of the festival.

Everyone who hears the Freeport High School Band appreciates its versatility and fine quality.

Orchestra

If we followed the "March of Giants" it would lead us up the steps to the tower where we could spy upon the eager students laboring at symphonies or assisting their instruments to sing the tunes of Rodgers and Hammerstein, Victor Herbert, or Sigmond Rhomberg. Guided by the skillful baton of Ernest Seeman, the musicians, in addition to their programs consisting of overtures, suites, symphonies, and show tunes, did sight-reading over a hundred other pieces. The members also practice for concerts and sectional tryouts, which are held every six weeks, by daily rehearsals.

The Open House Concert, informal Christmas Concert at the Consistory Auditorium, and the Tri-Double-I festival are all a part of the F.H.S. orchestra's year. This year the Tri-Double-I orchestra performed under guest conductor, Dr. Josef E. Maddy. In addition there are ensembles and soloists who play at the district and state contests, the pit orchestra plays before the Junior and Senior plays and the Good Will Concert at the Junior High.

A Cappella

Do re me fa . . . ah: What's that? Why it's the A Cappella Choir practicing during 6th hour, under the direction of Miss Dorothy Nelson. The A Cappella consists of 75 students chosen through try-outs by Miss Nelson. The choir's formal dress for concerts is black robes with beautiful satin stoles which are orange on one side with F.H.S. embroidered on them, and white on the other. These robes were obtained two years ago through the hard work of the students.

During the year the choir puts on many performances for the public. The first appearance of the choir was at the annual open house. The Christmas concert was one of the biggest performances of the year with the choir and orchestra combining for several songs. The Tri-Double-I festival was the big event of the year as Freeport was host to Dubuque and Clinton. The choir's guest conductor was the well known Maynard Kline. The choir also sang for the Chamber of Commerce dinner. The Operetta "In Old Vienna" was given on February 5 at the Consistory Auditorium.

Treble Clef

Boys' Quartette

These are the unsung heroes of the music department. Known to their classmates as the "ivory ticklers", these girls spend many hours outside of class working up music for the many concerts and appearances which the F.H.S. ensembles, A Cappella choir, and orchestra make every year. Their musical ability and versatility help the music department to keep off the sour notes and on the lilting sweet notes. To these girls go many orchids.

The Treble Clef includes twenty-six girls who are upper-classmen and have at least one year's experience in chorus or in glee club. Besides singing in the mass choral group at the Christmas concert, these girls give several programs of their own during the year. For many, Treble Clef is a stepping stone to the A Cappella Choir.

"Voom, voom----do- do- dee-do! Do you hear that singing?" Yes, it's the F.H.S. Pretzel-aires (boys quartet) a hummin'. Their rehearsals twice a week with Miss Dorothy Nelson kept them continuously busy this year preparing a new supply of songs for program dates with community Freeport doings; open house, radio, luncheons, and banquets. Their modern interpretation of "Blow, Gabriel, Blow" is really a quartet creation and the Pretzel-aires certainly do it justice.

Girls' Triple Trio

Never B $\sharp$. Never B $\flat$. But always B natural. That's the aim of the F.H.S. girls triple trio. A selective group of nine voices, chosen by Miss Dorothy Nelson, who is also their director, is one of the finest ensembles affiliated with the F.H.S. music department.

Mixed Chorus

Mixed chorus includes only freshmen and is the beginning training group in high school. It includes both boys and girls. Although new freshmen, they also sing with the mass chorus. For the Christmas concert, the glee club, mixed chorus, and treble cleff combine their voices to present a fine musical program.

Girls' Glee Club

The girls' glee club is a selective group including mostly sophomores and a few freshmen who had belonged to choirs in junior high school. The purpose of the club is to train the girls so that they will have a chance to be in A Cappella when they become upper-classmen. Their main activity during the year is taking part in the Christmas Concert.

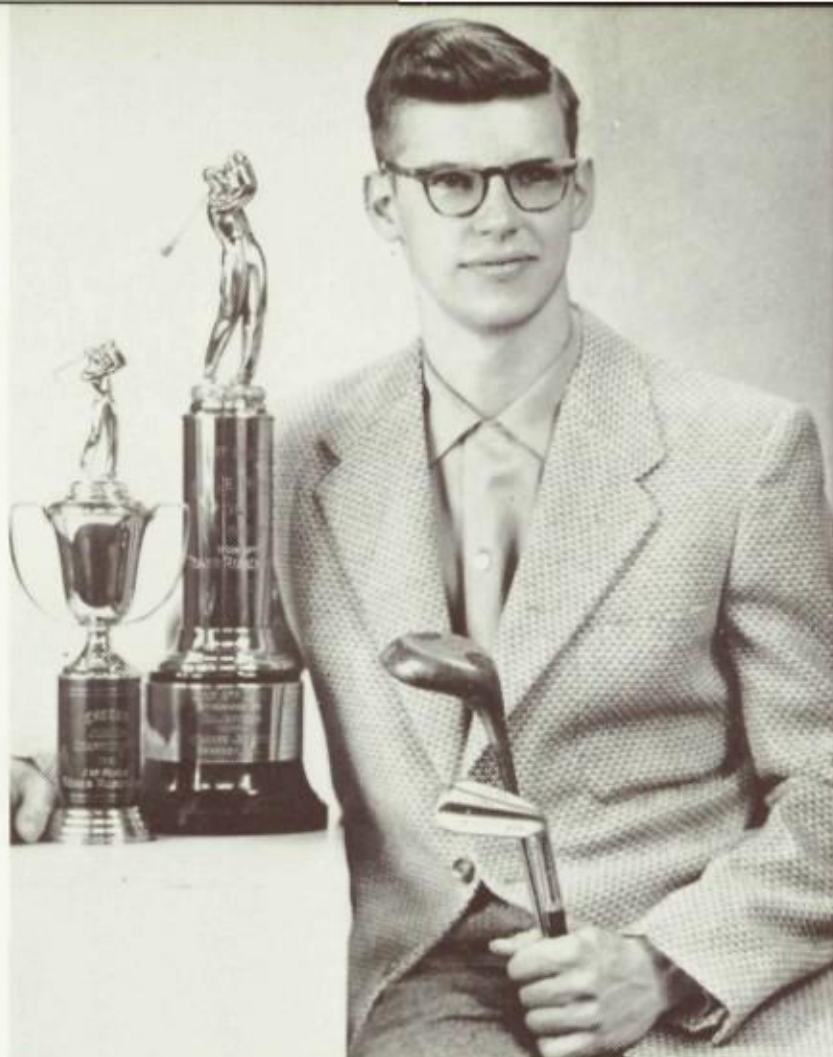

Girl's Triple Trio: W. Long, J. Mazurane, P. Erb, D. Staas, S. Mensenkamp, R. Smith, M. Fritzenmeier, C. Dryer, P. Krahmer.

To my Joanie

Bob Moren is shown making a magazine sale to Mrs. Del Fritz. His expert salesmanship won him first place honors in individual sales with the amazing total of \$133.50 worth of magazines sold.

Doris Kaiser receives the D.A.R. Plaque from Mrs. Glenn Schwendiman. The award is given for service, scholarship, citizenship and dependability.

Left pictures; Above; Roger Rubendall is shown with the trophies which he won last year in competition for a national title, the small one for the Oregon tournament and the larger one for the State J.C. Junior Amateur Tournament winning first in both. He went to the National Amateur Tournament where he lost in the third round. Lower; Carl Cain does one of his famous jump shots. Carl was honored this year by being chosen All Big-Eight, All-Tournament at the Sweet Sixteen, and greatest of all, All-State showing what a great player he really is.

Good luck to you in everything
to undertake to do. Carl Cain

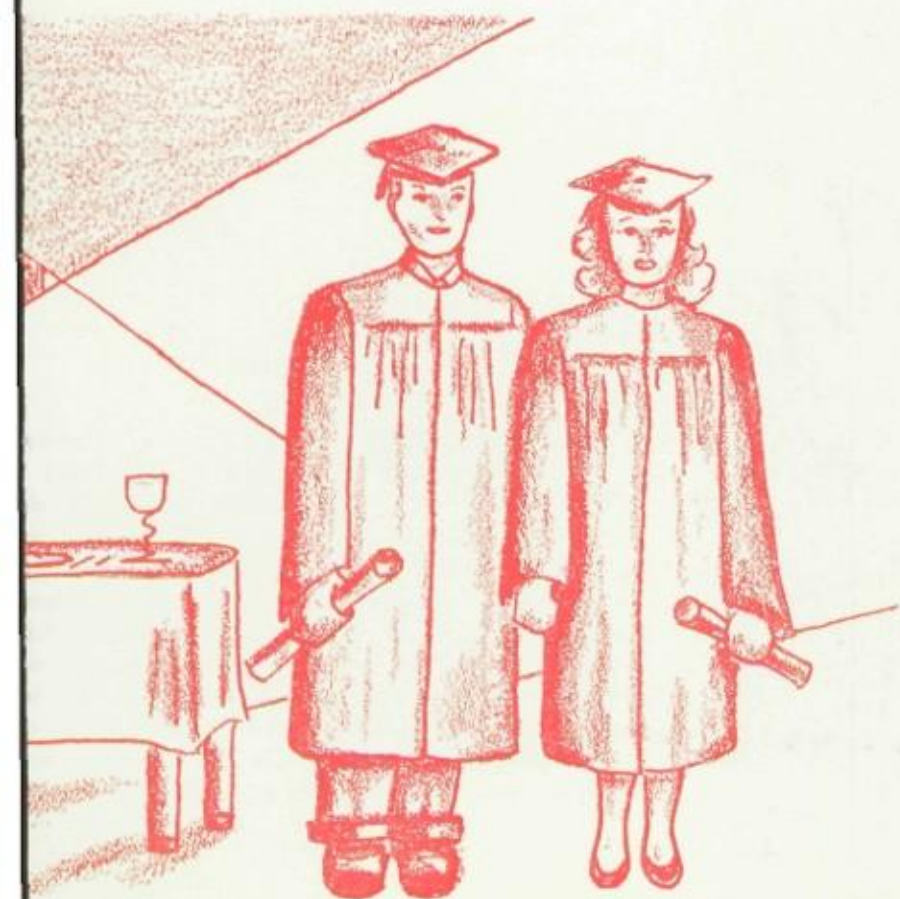

La Pretz made history this year for being the first successful newspaper F.H.S. has had for over ten years. The staff which made this possible are above: Mary Barrie, Bill Trunck, Elaine Williams, Bill Weimer, Jim Seitz, Sybil Mensenkamp.

The Tastiest Bits of the Meal

As each cook has his favorite dish, as each person has his best liked food, so does each meal have its tastiest morsels. Throughout the high school year, during which we are taking our "Food for Thought," the tastiest morsels, or the stars, shine out in each field. This page is set aside for recognition of those who have gained extra honor and those who have given extra service to the school.

*Here's to that Hay ride,
and I hope we can have
more fun in the future.
Good luck always,
Ray Maves*

Please Remember
she fun webe
had at Dolan's
Fox, Boob Otte*

*Hi Joan,
I hope you have a
lot of fun with Don
this Saturday. He really
is a swell guy. All
he ask about is you.
He really likes you a
lot. See you next
year. Mike*

Joan - I still remember when you threw paper in the coffee maker. We've had fun in Youth Fellowship this year. See you as a Sr. Steve Desley
